## TOWN MEETING ACT

---

[CHAP. 642.]

An Act to Provide for Precinct Voting, Representative Town Meetings, Town Meeting Members, a Referendum and an Annual Moderator in the Town of Arlington.

Be it enacted, etc., as follows:

Section 1. Upon the acceptance of this act by the Town of Arlington, as hereinafter provided, the members of the board of selectmen, the board of public works and the board of assessors, acting jointly and hereinafter referred to as the districting board, shall forthwith divide the territory thereof into not less than five voting precincts, each of which shall be plainly designated, and shall contain not less than six hundred voters. All precincts shall contain approximately an equal number of voters. The precincts shall be so established as to consist of compact and contiguous territory, to be bounded, so far as possible, by the centre line of known streets and ways or by other well-defined limits. Their boundaries shall be reviewed and, if need be, wholly or partly revised, by the districting board, in December, once in five years, or in December of any year when it is so directed by a vote passed at a town meeting not later than the thirtieth day of November of that year. The districting board shall, within ten days after any establishment or revision of the precincts, but not later than January tenth of the succeeding year, file a report of their doings with the town clerk, the registrars of voters and

the assessors, with a map or maps or description of the precincts and the names and residences of the registered voters therein. The districting board shall also cease to be posted in the town hall a map or maps or description of the precincts as established or revised from time to time with the names and residences of the registered voters therein; and they shall also cause to be posted in at least one public place in each precinct a map or description of that precinct, with the names and residences of the registered voters therein. The division of the town in voting precincts and any revision of the precincts shall take effect upon the date of filing of the report thereof by the districting board with the town as hereinbefore provided. Whenever the precincts are established or revised, the town clerk shall forthwith give written notice thereof to the secretary of the commonwealth, stating the number and designation of the precincts. The provisions of chapter eight hundred and thirty-five of the acts of nineteen hundred and thirteen, and any amendments thereof or additions thereto relating to precinct voting at elections, so far as the same are not inconsistent with this act, shall apply to all elections and primaries in the town upon the establishment of voting precincts as hereinbefore provided.

Sec. 2. Other than the officers designated in section three of this act as town meeting members at large, the representative town meeting membership shall in each precinct consist of the largest number divisible by three which will admit of a representation of all precincts by an equal number of members and which will not cause the total elected town meeting membership to exceed two hundred and seventy. The registered voters in every precinct shall, at the first annual town election held after the establishment of the precincts, and at the first town election following any precinct revision, and conformably to the laws relative to elections not inconsistent with this act, elect by ballot the number of registered

voters in the precinct, other than the officers designated in section three of this act as town meeting members at large, provided for in the last preceding sentence of this section, to be town meeting members of the town. Of the members so elected, one third shall be elected for the term of one year, one third for the term of two years and one third for the term of three years from the day of the annual town meeting; and thereafter, except as is otherwise provided herein, at each annual town election the registered voters of each precinct shall, in like manner, elect one third of the number of town meeting members to which that precinct is entitled for the term of three years, and shall at such election fill for the unexpired term or terms any vacancies then existing in the number of town meeting members in their respective precincts. Upon every revision of the precincts, or of any of them, the terms of office of all town meeting members from every such revised precinct shall cease upon the election of their successors, and at the first ensuing annual town election there shall be an entirely new election of town meeting members in every precinct so revised, as well as in any precinct newly established. The town clerk shall, after every election of town meeting members, forthwith notify each member by mail of his election.

Sec. 3. Any representative town meeting held under the provisions of this act, except as is otherwise provided herein, shall, at and after the first annual election held under this act, be limited to the voters elected under section two together with the following, designated as town meeting members at large, namely, any member of the general court of the commonwealth from the town, the town moderator, the town clerk, the town treasurer, the town auditor, the town collector of taxes, the town counsel, if any, the chairman of the board of selectmen, the chairman of the board of public works, the chairman of the assessors of taxes, the chairman of the school committee, the chairman of the planning board, the chairman

of the park commissioners, the chairman of the board of health, the chairman of the sinking fund commissioners, the chairman of the trustees of the Robbins Library, the chairman of the cemetery commissioners and the chairman of the finance committee, if any. The town clerk shall notify the town meeting members of the time and place at which representative town meetings are to be held, the notices to be sent by mail at least seven days before the meeting. The town meeting members, as aforesaid, shall be the judges of the election and the qualification of their members. A majority of the town meeting members shall constitute a quorum for doing business; but a less number may organize temporarily and may adjourn from time to time. Notice of every adjourned representative town meeting, which shall state briefly the business to be acted upon at the meeting, shall forthwith be posted by the town clerk in one or more public places in each precinct. The town meeting members as such shall receive no compensation. Any voter of the town who is not a town meeting member may attend any representative town meeting, and, subject to such conditions as may be determined from time to time by the members of such meeting, may speak, but shall not vote. A town meeting member may resign by filing a written resignation with the town clerk, and his resignation shall take effect on the date of such filing. A town meeting member who removes from the town shall cease to be a town meeting member, and a town meeting member who removes from the precinct which he was elected to another precinct shall not retain membership after the next annual election.

Sec. 4. Nomination of candidates for town meeting members to be elected under this act shall be made by nomination papers, which shall bear no political designation and shall be signed by not less than fifteen registered voters of the precinct in which the candidate resides and filed with the town clerk at least fifteen days before

the election. No nomination papers shall be valid in respect to any candidate whose written acceptance is not thereon or attached thereto.

Sec. 5. The articles in the warrant for the town meeting, relating to the election of the moderator, town officers, and town meeting members, as hereinbefore provided, referenda, and all other matters to be acted upon and determined by ballot, shall be so acted upon and determined by the voters of the town in the polling places provided for their respective precincts. All other articles in the warrant for any town meeting shall be acted upon and determined exclusively by town meeting members at a meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for the meeting, subject to the referenda provided for by section eight.

Sec. 6. A moderator shall be elected by ballot at each annual town meeting and shall serve as the moderator of all town meetings, except as otherwise provided by law, until a successor is elected and qualified. Nominations for and the election of a moderator shall be as in the case of other elective town officers, and any vacancy in the office may be filled by the town meeting members at a meeting held for that purpose. If the moderator is absent, a moderator pro tempore may be elected by the town meeting members.

Sec. 7. Any vacancy in the number of town meeting members from any precinct may be filled until the next annual election by the remaining members from that precinct, from among the registered voters of the precinct. Upon the petition therefor, signed by not less than ten town meeting members from such precinct, notices of the vacancy shall promptly be given by the town clerk to the remaining members from the precinct, and the town clerk shall forthwith call a special meeting of such members for the purpose of filling any vacancy.

The town clerk shall cause to be mailed to each of such members, not less than seven days before the time set for the meeting, a notice specifying the object, time and place of the meeting. At the said meeting a majority of the members shall constitute a quorum, and they shall elect from their own number a chairman and a clerk. The choice to fill any vacancy shall be by ballot, and a majority of the votes cast shall be required for a choice. The chairman and clerk shall make a certificate of the choice and forthwith file the same with the town clerk, together with a written acceptance by each member so chosen, who shall thereupon be deemed elected and qualified as a town meeting member, subject to the right of the town meeting members to judge of the election and qualification of members as set forth in section three.

Sec. 8. No article in the warrant shall finally be disposed of by a vote to lay upon the table, to indefinitely postpone, or take no action thereunder. Any vote passed at any representative town meeting under any article in the warrant, except a vote to adjourn, shall be inoperative until after the expiration of five days, exclusive of Sundays and holidays from the dissolution of the meeting. If, within said five days a petition, signed by not less than one hundred registered voters of the town, containing their names and addresses, as they appear on the list of registered voters, is filed with the selectmen requesting that the question or questions involved in such vote be submitted to the voters of the town at large, then the selectmen, within fourteen days after the filing of the petition, shall call a special meeting which shall be held within ten days after the issuing of the call, for the sole purpose of presenting to the voters at large the question or questions so involved. The polls shall be opened at two o'clock in the afternoon and shall be closed not earlier than eight o'clock in the evening, and all votes upon any questions so submitted shall be taken by ballot, and the check list shall be used in the

several precincts in the same manner as in the election of town officers. The questions so submitted shall be determined by vote of the same proportion of the voters at large voting thereon as would have been required by law of the town meeting members had the question been finally determined at a representative town meeting. The questions so submitted shall be stated upon the ballot in the same language and form in which they were stated when presented to said representative town meeting by the moderator, and as they appear upon the records of the said meeting. If such petition be not filed within the said period of five days, the vote in the representative town meeting shall become operative upon the expiration of the said period.

Sec. 9. The town of Arlington, after the acceptance of this, act, shall have the capacity to act through and to be bound by its said town meeting members who shall, when convened from time to time as herein provided, constitute representative town meetings; and such representative town meetings shall exercise exclusively, so far as will conform to the provisions of this act, all powers vested in the municipal corporation. Action in conformity with all provisions of law now or hereafter applicable to the transaction of town affairs in town meetings shall, when taken by any representative town meeting in accordance with the provisions of this act, have the same force and effect as if taken in a town meeting open to all the voters of the town as heretofore organized and conducted.

Sec. 10. This act shall not abridge the right of the people of Arlington to hold general meeting, as that right is secured to them by the constitution of the commonwealth; nor shall this act confer upon any representative town meeting in Arlington the power finally to commit the town to any measure affecting its municipal existence or changing its government, without the action

thereon by the voters of the town at large, using the ballot and check lists therefor.

Sec. 11. This act shall be submitted to the registered voters of the town of Arlington at any annual or special town meeting called for the purpose. The vote shall be taken by ballot in accordance with the provisions of chapter eight hundred and thirty-five of the acts of nineteen hundred and thirteen and any amendments thereof or additions thereto, so far as the same shall be applicable, in answer to the question: "Shall an act passed by the general court in the year nineteen hundred and twenty entitled 'An Act to provide for precinct voting, representative town meetings, town meeting members, a referendum and an annual moderator in the town of Arlington' be accepted by this town?" and the act shall take effect upon its acceptance by a majority of the voters voting thereon.

Sec. 12. Chapter one hundred and sixty-eight of the acts of nineteen hundred and six being an act relative to town meetings in the town of Arlington, is hereby repealed.

Sec. 13. So much of this act as authorizes its submission to the registered voters of the town shall take effect upon its passage, and the remainder shall take effect upon its acceptance as aforesaid. (Approved December 22, 1920.)

# ARLINGTON TOWN RECORDS FOR THE MUNICIPAL YEAR 1925

---

## TOWN WARRANT

The Commonwealth of Massachusetts, Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the legal voters of the Town of Arlington to meet in the Town Hall in said Town on Tuesday, the 20th day of January, 1925 at 8.00 o'clock, P. M. to act on the following Articles, viz:

Article 1. To hear and act on the reports of the Committee on Additional School Accommodations, under the votes of the Town passed Oct. 26, 1922, April 16, 1923, and Oct. 22, 1924, and the Finance and other committees heretofore appointed.

Article 2. To see if the Town will rescind the authorization of the Treasurer to borrow all or any portion of the sum of six thousand (\$6,000) dollars, in excess of ninety thousand (\$90,000) dollars for the purpose of constructing an addition to the schoolhouse called "Cutter School," contained in the vote of the Town passed March 25, 1924, under Article 28 of the warrant for the annual meeting; or take any action relating thereto.

(Inserted at the request of the Town Treasurer)

Article 3. To see if the Town will authorize the sale, conveyance or other disposition of all or any of the buildings on the land on Lake Street known as the True site, acquired by the Town for school purposes, under vote of the Town passed June 4, 1924; or take any action relating thereto.

Article 4. To see if the Town will vote to construct a school building upon the land of the Town situated on Lake Street, Brooks Avenue, so called, and Chandler Street, so called; make an appropriation for such construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee on Additional School Accommodations)

Article 5. To see if the Town will make an appropriation for the grading of, and construction of walks upon, the land mentioned in Article 4 of this warrant; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee on Additional School Accommodations)

Article 6. To see if the Town will make an appropriation of all or any portion of the sum of seven thousand (\$7,000) dollars for the purchase of fuel for the public schools of the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 7. To see if the Town will adopt a by-law or by-laws relating to billboards, signs and other advertising devices; or take any action relating thereto.

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed

copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, in a conspicuous place in each of the seven precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not and make due return of this warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this second day of January in the year of our Lord one thousand nine hundred and twenty-five.

NELSON B. CROSBY,  
CHARLES B. DEVEREAUX,  
FREDERICK W. HILL,  
Selectmen of the Town of Arlington.

## CONSTABLE'S RETURN

Arlington, January 16, 1925.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY

Constable of Arlington.

Arlington, January 20, 1925.

Pursuant to the warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a Constable of the said Town, and sent by mail by the Town Clerk at least seven days before the day of meeting to the Town Meeting Members elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members met at the Town Hall in said Town on Tuesday, January 20, 1925, at eight o'clock in the evening. Notices of the special meeting were published in the local papers.

The Moderator called the meeting to order at 8:10 o'clock. The Clerk read the Call and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by unanimous consent of the meeting.

It appearing to the Moderator that there was not a quorum present the roll was called by the Town Clerk.

The result of this Roll Call showed that fifty-nine members were present.

One hundred and thirty-five members constitute a quorum.

On motion of Nelson B Crosby, it was Voted: That this meeting adjourn to meet Friday, February 13, 1925 at eight o'clock in the evening.

The Check lists used at the entrances of the hall, in charge of Philip T. Robinson and James F. Higgins, showed that sixty-one members were present.

The meeting adjourned at 8:24 o'clock.

A True Record, Attest:

E. CAROLINE PIERCE

Town Clerk.

Arlington, February 13, 1925.

Pursuant to the vote of adjournment January 20, 1925, the Town Meeting Members met in the Town Hall on Wednesday evening, February 13, 1925, notices having been sent by mail by the Town Clerk to the Town Meeting Members seven days at least before the meeting. Notices were published in the local papers and posted at three places in each precinct.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of James F. Higgins and Philip T. Robinson.

The Check Lists filed with the Town Clerk at the close of the meeting showed that one hundred and thirty-six members attended the meeting.

The meeting was called to order at 8:05 o'clock by the Moderator, John G. Brackett.

On motion of Hollis M. Gott:

Voted: that Article 1 be taken up.

Article 1 taken up. (Reports of Committee on Additional School Accommodations, etc.)

Elliott R. Barker, Chairman of the Committee on Additional School Accommodations, obtained the consent of the meeting to show slides of the plans of schoolhouses submitted to the committee. The plans submitted were by the following named architects and were numbered as follows:

1. Haven and Hopkins
2. Gay and Proctor
3. Brainerd and Leeds
4. Charles G. Loring
5. Howard B. S. Prescott.

Mr. Barker submitted the report of the committee which had been most carefully prepared in every detail.

Voted: (Unanimously) that the report of the committee on Additional School Accommodations be received.

Voted: On motion of Hollis M. Gott that the Finance Committee Report be received.

On motion of Hollis M. Gott:

Voted: that the remaining articles in the Warrant now be taken up and the recommendations of the Finance Committee be considered as now before the meeting, the articles to be taken up in the order in which they appear in the Warrant.

Article 1 laid on the table.

Article 2 taken up. (Cutter School—Borrowing.)

Voted: (Unanimously) that the authorization of the Treasurer to borrow any sum in excess of ninety thousand (\$90,000) dollars for the purpose of constructing an addition to the school house called "Cutter School," contained in the vote of the Town passed March 25, 1924, under Article 28 of the Warrant for the annual meeting be and hereby is rescinded.

Article 3 taken up. (Disposition of Lake Street Buildings.)

On request of Roger W. Homer, Mr. Crosby, Chairman of the Board of Selectmen, explained the delay in the settlement of the Town for the True property.

Voted: (Unanimously) that the Board of Selectmen be and hereby is authorized and empowered in the name and on behalf of the Town to sell at public auction or private sale all or any of the buildings on the land of the Town on Lake Street acquired for the purpose of constructing thereon a school building, under vote passed June 4, 1924 and to execute, acknowledge and deliver any proper documents, all for the minimum amount of fifty (\$50) dollars and upon other terms as the Selectmen shall consider proper.

Article 4 taken up. (Schoolhouse on Lake Street)

Elliott R. Barker offered the following amendment to the Recommendation as made under Article 4 by the Finance Committee and now before the meeting.

That there be and hereby is appropriated the sum of one hundred and eighty-five thousand dollars (\$185,000) for the purpose of constructing a school building upon land of the Town situated on Lake Street, Brooks Avenue, so called, and Chandler Street, so called, acquired under vote passed June 4, 1924, being the land described in Article 4 of the warrant; that for this purpose sixty-five thousand (\$65,000) dollars be raised by general tax, and for the balance one hundred and twenty thousand (\$120,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of one hundred and twenty thousand (\$120,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all Acts in addition thereto or amendment thereof, so that the whole loan shall be

paid in not more than twenty years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and further, that a committee of five be appointed by the Moderator, to consist of one member of the School Committee, one member of the Board of Selectmen, and three citizens of the Town with full authority to construct said school building within the sum herein appropriated, substantially in accordance with plans of Messrs. Brainerd and Leeds presented at this meeting, and with power to fill any vacancy in said committee.

A lengthy discussion followed. It was the decided opinion of some Town Meeting Members that the awarding of this contract should go to a local architect. Many instances were recalled when both Mr. Prescott and Mr. Proctor had not only given the Town plans which had proven entirely satisfactory but had continued their interest in these buildings so that the Town had received much benefit by their advice as to maintenance and repairs. Roger W. Homer urged that the Town Meeting Members should not lose sight of the fact that it was the duty of the Committee on Additional School Accommodations to choose the plan which best suited the needs of the Town.

On motion of Charles L. Fitch:

Voted: that the amendment as offered to the recommendation of the Finance Committee be not passed.

On the motion as made in the recommendation of the Finance Committee it was

Voted: (Unanimously) that there be and hereby is appropriated the sum of one hundred and eighty-five thousand dollars (\$185,000) for the purpose of constructing a school building upon land of the Town situated on Lake Street, Brooks Avenue, so called, and Chandler Street, so called, acquired under vote passed June 4, 1924, being the land described in Article 4 of the

warrant; that for this purpose sixty-five thousand (\$65,000) dollars be raised by general tax, and for the balance one hundred and twenty thousand (\$120,000) dollars the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow said sum of one hundred and twenty thousand (\$120,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all Acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than twenty years from the date of issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and further that a committee of five be appointed by the Moderator, to consist of one member of the School Committee, one member of the Board of Selectmen, and three citizens of the Town, with full authority to construct said school building within the sum herein appropriated, substantially in accordance with plans presented at this meeting and with power to fill any vacancy in said committee.

Article 5 taken up. (Grading and Construction of Walks Schoolhouse Property on Lake Street.)

Voted: (Unanimously) that the sum of five thousand (\$5,000) dollars be and hereby is appropriated for the grading of, and construction of walks upon, the land of the Town situated on Lake Street, Brooks Avenue, so called, and Chandler Street, so called, mentioned in Article 4 of the Warrant; and that said sum be raised by general tax and expended under the direction of the committee appointed pursuant to the vote passed under Article 4 of the Warrant.

Article 6 taken up. (Purchase of Fuel for Schools)

Voted: (Unanimously) that the sum of seven thousand (\$7,000) dollars be and hereby is appropriated for the public schools, and that said sum be raised by

general tax and expended under the direction of the School Committee for the purchase of fuel.

Article 7 taken up. (By-Law—Billboards, Signs and Other Advertising Devices.)

Voted: (Unanimously) that the following by-law be adopted:

No person, firm, association or corporation shall erect, display or maintain, within the limits of the town, a billboard, sign or other outdoor advertising device, except those exempted by Section 30 and 32 of Chapter 93 of the General Laws, or by any additions to, or amendments of said sections,—

(a) Within fifty (50) feet of any public way;

(b) Within three hundred (300) feet of any public park, playground or other public grounds, if within view of any portion of the same;

(c) Nearer than fifty (50) feet to any other such billboard, sign or other advertising device, unless said billboards, signs or other advertising devices are placed back to back;

(d) On any location at the corner of any public ways and with a radius of one hundred and fifty (150) feet from the point where the center lines of such ways intersect;

(e) Nearer than one hundred (100) feet to any public way, if within view of any portion of the same, if such billboard, sign or other advertising device shall exceed a length of eight (8) feet or a height of four (4) feet;

(f) Nearer than three hundred (300) feet to any public way, if within view of any portion of the same, if such billboard, sign or other advertising device shall exceed a length of twenty-five (25) feet or a height of twelve (12) feet;

(g) In any event if such billboard, sign or other advertising device shall exceed a length of fifty (50) feet or a height of twelve (12) feet; except that the Selectmen may permit the erection of billboards, signs or other advertising devices which do not exceed forty (40) feet in length and fifteen (15) feet in height if not nearer than three hundred (300) feet to the boundary line of any public way.

(h) No billboard, sign or other advertising device shall be erected, displayed or maintained in any block in which one-half of the buildings on both sides of the street are used exclusively for residential purposes; except that this provision shall not apply if the written consent of the owners of a majority of the frontage on both sides of the street in such block is first obtained and is filed with the Division of Highways of the Department of Public Works, together with the application for a Permit for such billboard, sign or other advertising device.

(i) No billboard, sign or other advertising device shall be erected, displayed or maintained until a Permit therefor has been issued by the Division of Highways of the Department of Public Works pursuant to the following provisions: Upon receipt from said Division of a notice that application for a permit to erect, display or maintain a billboard, sign or other advertising device within the limits of the Town has been received by it, the Selectmen shall hold a public hearing on said application in the Town, notice of which shall be given by posting the same in three or more public places in said Town at least one week before the date of such hearing. A written statement as to the results thereof shall be forwarded to the Division containing, in the event of a disapproval of such application, the reasons therefor, within thirty days from the date of notice of the Town that an application for such a permit had been made.

This By-Law shall not apply to signs or other devices erected and maintained in conformity with law,

which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertising the property itself or any part thereof as for sale or to let and which contain no other advertising matter and provided further that this By-Law shall not apply to billboards, signs or other advertising devices legally maintained, at the time of its approval by the Attorney-General, until one year from the first day of July following such approval.

Whoever violates any of the provisions of this By-law shall be punished by a fine of not more than one hundred (\$100) dollars, and whoever, after conviction for such violation, unlawfully maintains such billboard, sign or other outdoor advertising device for twenty (20) days thereafter shall be punished by a fine of not more than five hundred (\$500) dollars.

If any provision of this By-law is declared unconstitutional or illegal by final judgment, order or decree of the Supreme Judicial Court of the Commonwealth, the validity of the remaining provisions of this By-Law shall not be affected thereby.

Article 1 taken from the table.

There being no further business to come up under Article 1 the Moderator declared Article 1 disposed of.

Elliott R. Barker moved that the Committee on Additional School Accommodations be discharged. Charles L. Fitch moved and it was

Voted: (Unanimously) that the Committee on Additional School Accommodations be discharged and that the sincere thanks be given to this committee for the work and interest they have shown.

The meeting adjourned at ten thirty o'clock in the evening.

A True Record, Attest:

E. CAROLINE PIERCE

Town Clerk.

E. CAROLINE PIERCE

Town Clerk.

Arlington, March 3, 1925.

I hereby certify that I have this day appointed Marion F. Robbins Assistant Town Clerk of the Town of Arlington and that she has taken the oath required for the faithful performance of her duties.

E. CAROLINE PIERCE

Town Clerk.

Arlington, March 3, 1925.

I hereby certify that I have this day appointed Etta F. Stanton as a Clerk before whom an oath may be made on an intention of marriage in accordance with Section 20 of Chapter 207 of the General Laws of 1921 and that she has taken the oath required for the faithful performance of her duties.

E. CAROLINE PIERCE

Town Clerk.

## Annual Meeting

Arlington, March 26, 1925.

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town by a Constable of said town, and notices sent by mail by

the Town Clerk at least seven days before the day of meeting to the Town Meeting Members, elected and qualified to act in Town Meetings in Arlington, the Town Meeting Members so qualified met in the Robbins Memorial Town Hall in said Town on Thursday, March 26, 1925, at eight o'clock in the evening.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of James F. Higgins and Philip T. Robinson. The Lists contained the names of two hundred and sixty-one Town Meeting Members qualified to participate and vote in Town Meetings in Arlington.

The Check Lists filed with the Town Clerk at the close of the meeting showed that one hundred and ninety-six members attended the meeting.

The meeting was called to order at five minutes after eight o'clock by the Moderator, John G. Brackett.

The Town Meeting Members were sworn by the Moderator.

Copies of the Warrant having been supplied to the Town Meeting Members the Clerk read only the Call and the Constable's Return of the Warrant, the meeting voting on Charles B. Devereaux's motion to dispense with the reading of the remainder of the Warrant.

On motion of William C. Drouet, it was

Voted: (Unanimously) That the following resolution be received:

Thursday, March 26th, 1925.

### **Resolution**

WHEREAS it soon becomes the task of the school committee to choose a name for the new school building to be erected on Lake Street, on the True site so-called, it is therefore

RESOLVED that it is the sense of this Town Meeting that the School Committee though vested with authority to make the final selection, will act appropriately, deservedly, and in full accord with the expressed preference of this meeting, if it designates the school building referred to as the Frank W. Hodgdon School.

## TOWN WARRANT

Commonwealth of Massachusetts

Middlesex, ss.

To the Constables of the Town of Arlington, in said  
County:

Greeting:

In the name of the Commonwealth of Massachusetts,  
you are hereby required to notify and warn the legal  
voters of the Town of Arlington, to meet in the

## TOWN HALL

in said Town on

Thursday, the 28th Day of May, 1925

at eight o'clock, P. M., to act on the following Articles,  
viz:

Article 1. To hear and act upon the reports of  
Town Boards and officers and of the Finance and other  
committees heretofore appointed.

Article 2. To see if the Town will authorize the  
acquisition by purchase or otherwise, for school purposes,  
of all or any portion of the "Kate P. Foster property" on  
Irving Street, consisting of a parcel of land with the  
buildings thereon, bounded southwesterly by Irving  
Street 98.58 feet; northwesterly by land of the Town of  
Arlington 141.9 feet; northeasterly by land now or for-  
merly of Fannie C. Porter 92.46 feet; southeasterly by  
land now or formerly of Clarence A. Moore, 173.5 feet  
more or less; southwesterly again by land formerly  
of Gray and now or formerly of William T. Foster 24.55  
feet more or less; containing 16,585 square feet more  
or less, and being shown on a plan marked "Plan Showing  
Land in Arlington, Mass. Proposed to be Acquired for  
School Purposes April 10, 1925, George E. Ahern, Town  
Engineer," on file in the office of the Town Engineer;  
make an appropriation for such acquisition; determine in  
what manner the money shall be raised and expended; or  
take any action relating thereto.

Article 3. To see if the Town will authorize the sale, conveyance or other disposition of all or any of the buildings situated upon the premises known as the Kate P. Foster property, situated on Irving Street and more particularly described in Article 2 of the Warrant; or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 4. To see if the Town will make an appropriation for the laying out and grading of all or any portion of the parcel of land bounded by Massachusetts Avenue, Broadway and Franklin Street; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 5. To see if the Town will accept the alteration of the way known as Appleton Place from the southerly side line of Appleton Street to a point southeasterly therefrom approximately 360 feet as made and reported by the Joint Board of Selectmen and Board of Public Works; make an appropriation for said alteration and the construction of said way; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said way as so laid out is bounded and described as follows:

Beginning at the point of intersection of the southerly side line of Appleton Street and the westerly side line of Appleton Place, thence easterly and southeasterly on said westerly side line of Appleton Place on a curve to the right with a radius of 10.0 feet a distance of 14.92 feet to a point of tangency on said westerly side line of Appleton Place, thence S. 00°, 30' W. on said westerly side line of Appleton Place a distance of 202.43 feet to an angle point in said westerly side line of Appleton Place, thence S. 2°, 39', 30" E. on said westerly side line of Appleton Place, a distance of 154.31 feet to land of Edward A. Bailey, thence northeasterly by said land of Edward A. Bailey a

Article 9. To see if the Town will appoint a committee to consider the amendment, alteration, repeal or revision of, or additions to the Town's By-laws including By-laws relating to buildings, structures and premises,

and to report a draft of By-laws to provide for the foregoing, and also to consider and report upon the advisability of petitioning the Legislature for permission to revoke the Town's acceptance of Chap. 635 of the Acts of 1912, being an act relative to tenement houses in towns (the provisions of which are now contained in Chap. 145 of the G. L.) make an appropriation therefor; or take any action relating thereto.

Article 10. To see if the Town will change in any way by amendment to, by substitution for, or by striking out of any or all of the Zoning By-law or By-laws of the Town of Arlington, including the districts of classes shown on a map entitled "Town of Arlington, Massachusetts, Zoning Map, prepared under the direction of the Zoning Committee by John P. Fox, Consultant on Zoning, March, 1924" which By-law or By-laws and Map showing the districts of classes were adopted at the adjourned meeting held May 15, 1924, of the Annual Town Meeting of 1924; or take any action thereon.

(Inserted at the request of more than 100 registered voters)

Article 11. To see if the Town will amend its Zoning By-law by altering the zoning map therein referred to so as to include in a business district all or any portion of a certain parcel of land containing three (3) acres more or less, situated on the northerly side of Forest Street and on the northeasterly side of Summer Street at the junction of said streets at Adams Square, formerly owned by Charles A. Peirce and now owned by Angelo Pasquantonio; or take any action relating thereto.

(Inserted at the request of more than 100 registered voters)

Hereof, fail not, and make due return of this Warrant with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands, at said Arlington this eleventh day of May in the year of our Lord one thousand nine hundred and twenty-five.

CHARLES B. DEVEREAUX,  
FREDERICK W. HILL,  
NELSON B. CROSBY,  
Selectmen of the Town of Arlington.

### CONSTABLE'S RETURN

Arlington, Mass., May 19, 1925.

Middlesex County:

By virtue of this warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein named by causing a printed attested copy of the same to be left at every dwelling house in the Town, and by posting an attested copy at the doors of the Town Hall seven days at least before said day of meeting and by posting attested copies in two or more conspicuous places in each voting precinct in the Town. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) DANIEL M. HOOLEY,  
Constable of Arlington.

Arlington, May 28, 1925.

Pursuant to the warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington, by a Constable of said Town and sent by mail by the Town Clerk at least seven days before the day of meeting to the Town Meeting Members, duly elected and qualified to act in town meetings in Arlington, the Town Meeting Members met in the Town Hall in said Town on Thursday evening, May 28, 1925. Notices of the meeting were published in the local papers.

Lists of the duly qualified Town Meeting Members were used at the entrances of the meeting place and were in charge of James F. Higgins and Philip T. Robinson.

The Check Lists filed with the Town Clerk at the close of the meeting showed that one hundred and forty-four Town Meeting Members attended the meeting.

The meeting was called to order at ten minutes after eight o'clock in the evening by the Moderator, John G. Brackett.

The Town Meeting Members not already sworn were sworn by the Moderator.

The Town Clerk read the call of the meeting and the Constable's Return of the Warrant.

On motion of Charles B. Devereaux:

Voted: That the reading of the remainder of the Warrant be dispensed with.

On motion of Charles B. Devereaux:

Voted: That if the business in the Warrant calling this meeting is not disposed of on this date, the meeting adjourn to meet on Thursday evening, June 4, 1925, at eight o'clock.

On motion of Hollis M. Gott, Chairman of the Finance Committee.

Voted: That Article 1 be taken up. (Reports of Committees)

Voted: (Unanimously) That the report of the Committee be accepted, the Committee discharged and a vote of thanks be given the Committee.

On motion of Hollis M. Gott:

Voted: That the report of the Finance Committee as presented to this meeting in printed form be received.

On motion of Hollis M. Gott:

Voted: That Article 1 be laid on the table.

On motion of Hollis M. Gott:

Voted: That the remaining articles in the Warrant be now taken up separately, in the order in which they appear in said Warrant, and that the recommendations of the Finance Committee as set forth in their printed report be considered as now before the meeting.

Article 2 taken up. (Kate P. Foster Property)

Voted: (Unanimously) That the Selectmen be and hereby are authorized and empowered, on behalf of the Town, to purchase or take in fee by eminent domain or otherwise acquire, for school purposes, the "Kate P. Foster property," situated on Irving Street, consisting of a parcel of land with the buildings thereon, containing 16,585 square feet more or less, and more particularly described in Article 2 of the Warrant; that for this purpose the sum of ten thousand five hundred (\$10,500) dollars (being the sum specified in the vote on March 26, 1925, under Article 34 of the Warrant for the annual meeting) be and hereby is appropriated; and that the said sum be raised by general tax and expended under the direction of the Selectmen.

Article 3 taken up. (Buildings on Foster Property)

Voted: (Unanimously) That the present and each future Board of Selectmen be and hereby is authorized and empowered in the name and on behalf of

the Town to sell, at public auction or private sale, or otherwise dispose of, all or any of the buildings situated upon the premises known as the "Kate P. Foster property," situated on Irving Street, Arlington, and more particularly described in Article 2 of the warrant, and to execute, acknowledge and deliver the proper documents for that purpose, all for the minimum amount of fifty (\$50) dollars and upon such other terms as the Selectmen shall consider proper.

Article 4 taken up. (Laying Out Land at Fire Station and Soldiers Monument Park Property)

On the substitute motion made by Elliott R. Barker

Voted: That the sum of seven thousand (\$7,000) dollars be and hereby is appropriated for the laying out for the walks, drives and grading of all or any portion of the parcel of land bounded by Massachusetts Avenue, Broadway, and Franklin Street, said sum to be raised by general tax and expended under the supervision of the Chairman of the Park Commissioners, the Chairman of the Cemetery Commissioners, and the Chairman of the Committee appointed to erect on a portion of said land a building to be used for an engine house under vote passed April 22, 1924 under Article 36 of the Warrant for the Annual Meeting 1924.

Article 5 taken up. (Appleton Place Alteration)

Voted: That the alteration of the way known as Appleton Place from the southerly side line of Appleton Street to land of Edward A. Bailey, more particularly described in Article 5 of the Warrant, as made and reported by the Joint Board of Selectmen and Board of Public Works, be accepted, said way as so altered, established, and said Joint Board authorized to take land for the purpose; and that the sum of fifteen hundred (\$1500) dollars be and hereby is appropriated for the construction of said way as so altered, including

land damages and the cost of any pavement and sidewalks laid at the time of said construction, said sum to be raised by general tax and expended under the direction of said Joint Board.

Article 6 taken up. (Additional Appropriation for Committee on Police Station)

Voted: That the additional sum of four hundred (\$400) dollars be and hereby is appropriated for the use of the Committee to procure plans and estimates for the construction of a building for the use of the Police Department, under vote passed March 26, 1925, said sum to be raised by general tax.

Article 7 taken up. (Playground in Rear of Crosby School)

Voted: That the sum of three hundred and fifty (\$350) dollars be and hereby is appropriated for the improvement of the playground situated in the rear of the Crosby School, located between Winter Street and Oxford Street; said sum to be raised by general tax and expended under the supervision of the School Committee and the Park Commissioners.

Article 8 taken up. (Parcel of Land at Crosby School Playground)

Voted: That the present and each future Board of Selectmen be and hereby is authorized and empowered in the name and on behalf of the Town, to sell at public auction or private sale, all or any portion of the parcel of land situated on Oxford Street and more particularly described in Article 8 of the Warrant; to convey the same; and to execute, acknowledge, and deliver the proper documents for that purpose, all for the minimum amount of fifty (\$50) dollars for any such conveyance and upon such other terms as the Selectmen may consider proper.

Article 9 taken up. (Town By-Laws—Building Laws and Tenement House Act)

Voted: That a committee of five be appointed by the Moderator to consider the amendment, alteration, repeal or revision of, or additions to the Town's by-laws, including by-laws relating to buildings, structures, and premises, and to report a draft of by-laws to provide for the foregoing, and also to consider and report upon the advisability of petitioning the Legislature for permission to revoke the Town's acceptance of Chapter 635 of the Acts of 1912, being an Act relative to tenement houses in towns (the provisions of which are now contained in Chapter 145 of the General Laws), said Committee to have power to fill any vacancy and to report to the Town at the Annual Meeting of 1926; and that the sum of five hundred (\$500) dollars be and hereby is appropriated for the use of said committee, said sum to be raised by general tax.

Article 10 taken up. (Change in Zoning By-Law)

William A. Muller offered the following substitute motion:

That the lines as shown upon the map adopted at the Adjourned Town Meeting held May 15, 1924 as a part of the Zoning By-Law of the Town of Arlington, as amended at subsequent town meetings, be further modified and amended by striking out the present restriction on the area bounded by Massachusetts Avenue, Trowbridge Street, a line on the northerly side of Massachusetts Avenue one hundred and twenty-five feet distant from and parallel to the northerly side line of said Massachusetts Avenue, and Windsor Street; and substituting therefor a restriction including said area in the fourth or business district.

Charles M. MacMillin, Chairman of the Planning Board, reported that said Board was in favor of the amendment as offered by Mr. Muller.

On a rising vote, one hundred and six voting in favor and twelve in opposition, Messrs. Quimby, Russell and Rice, acting as tellers.

Voted: That the lines as shown upon the map adopted at the Adjourned Town Meeting held May 15, 1924 as a part of the Zoning By-Law of the Town of Arlington as amended at subsequent town meetings, be further modified and amended by striking out the present restriction on the area bounded by Massachusetts Avenue, Trowbridge Street, a line on the northerly side of Massachusetts Avenue one hundred and twenty-five feet distant from and parallel to the northerly side line of said Massachusetts Avenue, and Windsor Street; and substituting therefor a restriction including said area in the fourth or business district.

William A. Muller offered the following substitute motion:

That the lines as shown upon the map adopted at the Adjourned Town Meeting held May 15, 1924 as a part of the Zoning By-Law of the Town of Arlington, as amended at subsequent town meetings, be furthered and amended by striking out the present restriction on the area bounded by Gloucester Street, Highland Avenue, Gray Street, and Lockeland Avenue, and substituting therefor a restriction including said area in the second or general residence district.

Charles M. MacMillin reported that the Planning Board was in favor of the foregoing amendment.

On the motion being put before the meeting the same was lost.

Charles H. Higgins, in the interest of a non-Town Meeting Member offered the following substitute motion:

That the lines as shown upon the map adopted at the Adjourned Town Meeting held May 15, 1924 as a part of the Zoning By-Law of the Town of Arlington, as amended at subsequent town meetings, be further modified and amended by striking out the present restriction on the area bounded by Revere Street and Revere Street extended to Robbins Road, Robbins Road, a line on the northerly side of Gray Street one hundred feet from and parallel to the northerly side line of said Gray Street, and Walnut Street; and substituting therefor a restriction including said area in the second or general residence district.

Walter H. Peirce and Peter Schwamb explained the petition.

Charles M. MacMillin reported that the Planning Board recommended the rejection of this petition.

The Moderator declined to place this substitute motion before the meeting, stating that the petition as now presented was not identical with the petition as advertised in the Arlington Advocate.

The original motion as recommended by the Finance Committee with the exception of the modification just passed was put before the meeting.

Voted: That the Town do not change in any way by amendment to, by substitution for, or by striking out any or all of the Zoning By-law or by-laws of the Town of Arlington referred to under this Article, with the exception of the modification just passed.

Article 11 taken up. (Zoning Restrictions on Land of Pasquantonio)

Palmer T. Guarente offered the following substitute motion:

That the Town amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in

a business district all or any portion of a certain parcel of land containing three (3) acres more or less, situated on the northerly side of Forest Street and the northeasterly side of Summer Street at the junction of said streets at Adams Square, formerly owned by Charles A. Peirce and now owned by Angelo Pasquantonio;

The Moderator deciding that the boundaries as contained in the substitute motion being too indefinite Article 11 was laid on the table.

On motion of Paul M. White to reconsider Article 8:

Voted: (Unanimously) That the present and each future Board of Selectmen be and hereby is authorized and empowered in the name and on behalf of the Town, to sell, at public auction or private sale, all or any portion of the parcel of land situated on Oxford Street, and more particularly described in Article 8 of the Warrant; to convey the same; and to execute, acknowledge, and deliver the proper documents for that purpose, all for the minimum amount of fifty (\$50) dollars for any such conveyance and upon such other terms as the Selectmen may consider proper.

On motion of Hollis M. Gott, Article 11 was taken from the table. The substitute motion on Article 11 as reconstructed is

That the Town amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in a business district a certain parcel of land containing three acres situated on the northerly side of Forest Street and on the northeasterly side of Summer Street at the junction of said streets at Adams Square, formerly owned by Charles A. Peirce and now owned by Angelo Pasquantonio.

Charles M. MacMillin reported that the Planning Board recommended the rejection of this petition.

On the substitute motion being put before the meeting the same was lost.

The original recommendation as made by the Finance Committee was taken up.

Voted: That the Town do not amend the Zoning By-Law by altering the Zoning Map therein referred to, so as to include in a business district all or any portion of the certain parcel of land more particularly described in Article 11 of the Warrant.

On motion of Hollis M. Gott:

Voted: That Article 1 be taken from the table.

There being no further business under Article 1 the same was declared disposed of.

The meeting adjourned at 10.15 P. M.

A True Record, Attest:

E. CAROLINE PIERCE,  
Town Clerk.

## REPORT OF THE BOARD OF SELECTMEN

---

The Board of Selectmen submits the following report for the year ending Dec. 31, 1925:

At the Annual Meeting of March, 1925, Mr. Nelson B. Crosby was re-elected a member of the Board for the term of three years, and was sworn to the faithful performance of his duties. The Board organized with the election of Mr. Charles B. Devereaux as Chairman, and Mr. John A. Easton as Clerk of the Board and Agent of the Overseers of the Poor.

### TOWN DEBT AND TAX RATE

The Town Debt on December 31, 1925 was \$1,100,900. This is an increase of \$129,900 over the amount at the end of 1924. The Sinking Fund total on December 31, 1925 was \$100,309.93,

The total appropriations	\$1,654,744.28
Total amount raised by taxes	1,259,971.19
Total amount raised by borrowing	228,000.00
Total amount raised by transfers	166,773.09
Property valuation	41,949,149.00
Tax rate	\$30. per \$1000.

In submitting this report the Board wishes again to impress upon the minds of the citizens of Arlington the uninterrupted growth of the past four years, and, as evidenced by the reports of the various departments and officials, to endeavor to cause you to realize just what problems such a growth has brought about.

The census of April, 1925 showed a population of 24,943, in comparison to 15,000 in 1915 and 18,646 in 1920.

The present population places Arlington very nearly on equal footing with Watertown as the third largest Town in the State, with thirteen cities of less population.

Building permits to the valuation of \$5,813,095 were issued this year, showing a gain of \$1,501,985 over 1924. Another evidence of our growth is shown in the building of 1659 houses and 1204 garages during the last four years.

Quite a radical departure from the general character of buildings heretofore erected is shown in the J. E. Locatelli structure at the corner of Mass. Ave and Lake St. It is a combination of stores and offices on the fronts of the two streets, with a theatre in the rear seating 1700, three stories in height, and modern in every detail. The Board considers this building is a decided asset to the town, and believes that many of the objectors to the theatre feature of this building are now in accord with the Board's decision in granting a license to operate moving pictures.

### FIRE DEPARTMENT

This year has witnessed the completion of the new Central Fire Station on the Monument Lot, so-called, and the demolition of the Wm. Penn Engine House, on the same lot, which has housed a portion of the Town's apparatus for over 50 years. This building was sold to the Central Building Wrecking Company after competitive bidding, for the munificent sum of \$210., the same being the highest bid. The Town removed the bell, heater, plumbing and spiral stairways.

The committee entrusted with the erection of the Central Fire Station should be highly commended for the results obtained. Especial thanks and gratitude should be given Mr. Reuben W. LeBaron of this committee for his farsightedness and skill in the installation of the fire alarm system, and the lighting arrangement for

the entire triangular area. Provisions has been made for many years to come, and Mr. LeBaron's efforts and adeptness in and around this building comes as a most fitting climax to a life devoted in an unostentatious way to the giving to his Town the very best that he could give. The signal system of this Town will ever be a monument to his skill and ingenuity.

The same committee also completed the building of the bungalow station at the top of the Heights. Owing to low water pressure at this particular location a combination pump and chemical should be installed here. As the Town has but one pump, it would seem expedient to purchase another at the first opportunity. By authorization of the Annual Meeting, Chief Tierney, with the approval of the Board, purchased a new ladder truck from the Seagrave Corporation. It met all requirements and specifications, and comes from a concern long established in the manufacture of fire apparatus. This machine was installed in the Central Station, and is the second ladder truck in commission.

Additional apparatus will call for additional men. The Board endorses the request of Chief Tierney for nine more men, also the appropriation of some \$800. for a training tower. The men seem absolutely necessary for the proper running of the apparatus. A good portion of the present force attended the Boston Training School at various times during the summer and obtained invaluable practical experience in fire fighting and life saving. The training tower will allow them to continue such practices.

The present force consists of a chief, five captains, and fifteen permanent men, also eighteen call men, with six pieces of apparatus in commission. The apparatus is in very good condition, considering that the purchase of the older pieces dates back to 1911 and 1913. With the purchase of new pieces, the older can be placed in reserve.

We have too many false alarms. The danger incident to answering false alarms is just as great as responding to actual fires. The people should impress upon their children the seriousness of committing such offences, in the endeavor to reduce the number of false alarms to a minimum.

The laying of high pressure water mains on Mystic, Chestnut and Medford Sts. has added much to the protection of property in that district. The pressure at Symmes Hospital has been greatly benefited by an additional high pressure main in Grove St. The low pressure service has benefited by connection with the huge 58 inch main laid throughout the Town this summer. The pressure throughout the Town is sufficient to handle the the ordinary fires without the use of pumps. If the Town sees fit to buy an additional pump and votes the necessary men, the Board believes that with mutual aid with the surrounding towns and cities, the Town will be well protected against fire.

The Board has recommended an increase in salary from \$2750. to \$3000. for Chief Tierney, also a reduction in the five - year schedule of the men to that of four years, making the wages \$4.70, \$5.00, \$5.25 and \$5.50 per day.

The Board believes we have a very efficient Fire Department, and asks that all co-operate with the Chief in every way possible, for the greater the efficiency, the lower your insurance rates will be.

## POLICE DEPARTMENT

The force on Jan. 1, 1926 was comprised of 32 members, rated as follows: Chief, Lieutenant, three Sergeants, twenty-five regular and two reserve patrolmen. The Chief requests, and the Board recommends the addition of four new men. The roster of thirty-two members, on first thought seems quite large, but the Board

desires to call your attention to two factors which daily reduce this number quite perceptibly. The one day-off-in-eight immediately reduces the force by four men, and 1154 days in court makes a further reduction of nearly four men. Sickness also has to be considered, so you can readily see that a roster of 32 men gives about 25 for actual service. Of the court cases for 1925, nearly 70 percent were for violations of the auto laws and traffic rules. Regulations and restrictions seem to be particularly adapted to the other fellow, but individually we are inclined to feel that they should not apply to us. Some irritation has been caused by the parking restrictions and rules as adopted by the Board. It seemed wise to make uniform rules for parking at an angle of 45 degrees from the Cambridge line to Academy St. on Mass. Ave., rather than add confusion by alternate parallel and angle parking in residence and business areas. Above Academy St. the Avenue is too narrow to allow anything but parallel parking. When one considers the numerous hydrants and car stops which must be accessible at all times, and the private driveways as well as the right one has to park in front of his own property and accord the same privilege to visiting friends, you can realize in some measure what the parking problem is and the multitude of complaints made to the Chief and to the Board. No parking from 1 to 7 A. M. seemed imperative on account of the increasing number who used the public ways for all-night parking with no lights. Some of our narrow streets will not allow of parking on both sides and room for travel, especially of fire apparatus. It is not the intention of the Board or of the Department to cause unnecessary hardships. All new rules seem harsh at first, but we believe the citizens will co-operate with the Department for the good of all. Mistakes may be made on either side. Be civil to the officer, and if he is not civil to you, it is your duty to report him.

,

A committee of three, representing the patrolmen, petitioned the Board in December for the \$6.00 per day minimum wage. In 1924 the maximum was extended from \$5.00 to \$5.50 per day, with a graduated scale of \$5.25, \$5.00, \$4.70 and \$4.40. After much deliberation and comparison with salaries and wages paid by other municipalities, the Board recommends for 1926 a reduction in the scale of service from five to four years, with \$5.50 a maximum and \$4.70 a minimum. Superior officers increased as follows: Chief \$2750 to \$3000. Lieutenant, \$2400. to \$2600., Sergeants, \$2200 to \$2300.

The need of new quarters for this Department is daily more apparent. The Board hopes that the annual meeting of 1926 will vote the necessary funds for a modern building where the Dept. will have larger facilities and greater convenience for efficiency.

#### OUTSIDE POOR

There is little variance in the expenditures of this fund in 1924 and 1925, and the amount asked for 1926. One might naturally assume that our increased growth would necessitate larger requests for aid, but such does not seem to be the case. The Board hopes that all cases actually needing aid have been cared for, and that no worthy person or family has been deprived of sustenance through pride, or dislike of becoming a town charge in part. At present there are 51 persons or families receiving aid from this fund.

Receipts from other towns and cities for aid extended to those having outside settlements amounted to \$5,703.44 for 1925.

#### ROBBINS MEMORIAL HALL

This building is in first-class condition. There are no major repairs apparent at this time. The room occupied by the Board of Public Works requires increased

radiation. The canvas floor - covering for the main hall should be replaced before long, but the Board believes the purchase of a new one at a cost of about \$500. can be deferred another year. A rearrangement of the offices seems advisable for the accommodation of the Accountant and to give added facilities for the Assessors. The Board is desirous of working out a program which will be satisfactory to all.

The resignation of Albert F. Duffy, who had served for seven years as Supt. of Robbins and Menotomy Halls, was accepted. James Carmody, who had given faithful and efficient service under Mr. Duffy was appointed to fill the vacancy. John J. Hoar was appointed assistant. Rentals for 1925 amounted to \$3,608.50

### MENOTOMY HALL

The Board has aimed to keep this building in a safe and sound condition, extraordinary repairs or alterations not being necessary or advisable on account of the uncertainty of the future use of the building. Hall rentals are negligible, having amounted to only \$240.08 in 1925. The attitude of the annual meeting of 1926 toward a new police station will determine largely the future of this building.

### COOPER TAVERN TAKING

The area of land taken by the laying of a building line across this property was 1643 sq. ft. of a total area of 7617 sq. ft. The Joint Board of Selectmen and Board of Public Works believed the town had an easement to some 857 sq. ft. of this taking on account of unrestricted use for a period of more than 20 years. Their award was made on the remaining 786 sq. ft. at \$5.25 per ft. the cost price as near as could be determined, making a total of \$4,126.50. Later, on account of the uncertainty of the value a jury might consider this easement worth, the Board made an offer of \$8,000. for settlement in full.

This being refused the case went to trial, the jury rendering a verdict of \$7,573.39 for the plaintiff.

The widening of Broadway and Mass. Ave. at this point has met with universal approval, and with the rebuilding of Broadway and the completion of the Central Fire Station, the Town has a second civic center of which it may well be proud.

### BUSSES

The Board has been quite concerned in regard to the innumerable busses using our highways without licenses and without remuneration to the Town, or any regard to liability. The only licensed lines are the Middlesex and Boston Street Railway Company running from the terminus of the Boston Elevated system at the Heights to the Lexington line, and the Boston Elevated line on Broadway. The others, with the exception of the B. and M. line from Boston to Manchester, N. H., have ostensibly been operating under Inter-State regulations, but violating such regulations by taking on and letting off passengers within the same state. Arrests have been made, and appeals taken. Recent court decisions make local permits necessary. This has curtailed the operation of some lines. The bus problem requires careful thought, and it is a moot question as to how many lines Arlington needs for its own good and for the good of its neighbors.

### TOWN ACCOUNTANT

This year has witnessed the full operation of the accounting department under the uniform State system. It has been of great benefit and assistance to every official and board, and is efficiently operated by the present incumbent, Mr. Clarence Needham.

### INSPECTOR OF ANIMALS

Owing to the death of Dr. F. Holden Smith the Department of Animal Industry appointed E. F. Schroeder, V. M. D. to fill the vacancy, upon the recom-

mendation of this Board. Dr. Schroeder is a local man, and is exceptionally well qualified for the position.

### SEALER OF WEIGHTS AND MEASURES

The resignation of Mr. Albert F. Duffy caused the appointment of Mr. Louis Von Witherell to this office. His appointment was certified to by the Civil Service Commission. The duties of this office have greatly increased the last few years. All scales, weighing devices, measurers and containers of all descriptions must be tested at least once, annually. It seemed wise to separate this office from that of the janitorship, as both positions had been held by one man for the past dozen years.

The congestion of Elevated cars at the Heights terminal will be relieved by the use of a short section of the Middlesex and Boston rails as a part of a loop to the Elevated land on the north side of Mass. Ave., where the dropping of trailers and shifting of cars can be accomplished off the highways.

By the requirement of our Town Meeting Act the Districting Board, consisting of the Selectmen, Board of Public Works, and Assessors must meet once in five years, unless the Town Meeting shall direct oftener, review the precinct lines and change same if in its opinion it is deemed necessary. The Board met in December and was unanimous in its opinion that the lines should remain as they are at present, owing to the rapid growth and frequent changes in population taking place in the various precincts.

The boundaries between Arlington and adjacent towns and cities have been viewed by the Board and found to be correct.

The Town's Zoning By-law has been in operation for more than a year, and as a result, more single family dwellings have been constructed in proportion to the total number of dwellings constructed than in former years.

Numerous hearings have been held on appeals from the Zoning By-law restriction. In some instances, waivers have been granted where requirements worked a hardship to the owners, and where the immediate community would not be injured in any way.

The Board has granted only a very small per-cent of the numerous applications for gas stations, believing the Town is fairly well supplied with them, believing its action reflects the wishes of the citizens.

The Board wishes to compliment the Town Meeting members in their wisdom and discretion in appropriating sufficient funds in main part to enable the various departments to function in proportion to Arlington's rapid growth, and trusts that the same farsightedness will pertain in the requests for the 1926 budget.

## REPORT OF THE LICENSING COMMISSION

---

To the Honorable Board of Selectmen,  
Arlington, Massachusetts,  
Gentlemen:

The Licensing Commission hereby respectfully submits its second annual report.

The Commission was organized with Daniel B. Tierney, Chairman and John A. Easton, Clerk.

Twenty-one (21) sessions were held at which four hundred ninety-nine (499) hearings were given. Four hundred ninety-two (492) licenses were granted, three (3) were denied, and four (4) applications were withdrawn.

Early in the year several garages were discovered in process of construction for which no advertised public hearing had been held as required by the Fire Marshal's rules and regulations. In order that contractors and builders should show a proper regard and respect for the said rules and regulations of the Fire Marshal, the Licensing Commission deemed it advisable to impose a suitable penalty against the offending builders. This course of procedure secured the desired results, and thereafter no further irregularity of this nature occurred.

The Commission has endeavored in granting locations, as far as practicable, to recognize the rights and interest of abutting property owners, so as to cause the least inconvenience to them, without sacrificing the rights of the applicants; and in this regard the Commission believes it has been successful.

Respectfully submitted,

DANIEL B. TIERNEY,  
WILLIAM GRATTO,  
THOMAS O. URQUHART,  
Licensing Commission

Town of Arlington.

## REPORT OF FIRE DEPARTMENT—1925

---

To the Honorable Board of Selectmen,

January 1, 1926.

Arlington, Mass.

Gentlemen:

I have the honor to submit my third annual report as Chief of the Fire Department for the year ending December 31, 1925.

The Department now consists of one Chief, five Captains, fifteen privates, five of whom were appointed in May, and nineteen call men. A Seagrave City Service ladder truck was purchased at a cost of \$10,000 and placed in service at Fire Headquarters, December 12th. This truck is equipped with 410 feet of ladders, a 40-gallon chemical tank, emergency tools and equipment.

The new piece of apparatus is known as Ladder 1, the old piece changed from Ladder 1 to Ladder 2 on Dec. 12th. Two ladder trucks, one Engine (600 gallons capacity) and three Combinations comprise the total equipment. The Department responded to 121 bell alarms, 153 still alarms, 19 mutual aid calls, a total of 293 alarms for the year, 43 more than 1924. Two general alarms were sounded and 19 false alarms.

### VALUE OF PROPERTY ENDANGERED

Value, Buildings	\$304,300 00
Value, Contents	91,600 00
	<hr/>
Total	\$395,900 00
Insurance on Buildings	\$343,100 00

Total	\$411,200 00

Loss on Buildings	\$65,692 87
Loss on Contents	29,139 53
	<hr/>
Total	\$94,832 40

### APPROPRIATION

Appropriation, including \$10,000 for ladder truck	\$59,228 00
Expended	58,610 96
	<hr/>
Unexpended balance	\$617 04

### RECEIPTS

Fees for 63 blasting permits	\$63 00
Fees for 40 fuel oil permits	40 00
Fees for 7 inflammable fluid permits	7 00
Fees for 9 fireworks permits	4 50
Fees for 1 small arms ammunition permit	50
	<hr/>
Total	\$115 00

Two "General Alarms" were sounded during the year. February 5th the ice houses on Pond Lane were burned with a loss of \$37,500 on buildings and \$20,000 on the contents. Belmont, Medford, Cambridge and Somerville responded. The exposure was not great, due to favorable wind. Later, on May 21st, the ruins of this ice plant were set on fire, this time with a high wind blowing toward the congested section of the town; in a remarkably short time seven other buildings were on fire and a "General Alarm" was again sounded. Just at the time when the Mutual Aid Group (Belmont, Medford and Somerville) arrived, Box 25 was sounded for a fire in a house on Broadway, a quarter of a mile away, caused by sparks from this fire.

While the damage from all the fires was small, only quick work saved the town from serious conflagration, and demonstrated very clearly the value of our Mutual Aid system.

## FIRE PREVENTION

During the year 10,352 inspections were made in stores, factories, offices, churches, schools, hospitals and all public or mercantile properties. Three small fires occurred in the 548 places that are under regular twice-a-month inspection, fires that would have been serious had quantities of rubbish been allowed to accumulate. The business men of the town have assisted the Inspectors to the extent that rarely during the year was it necessary to more than call their attention to any condition that needed correction.

In 1924, 9,152 inspections were made.

The second annual inspection of all dwellings was commenced on September 21st and 4640 houses were inspected by ten men in nine days, each man giving three of his "days off" to the work, and one Captain postponing his vacation until the job was done. Seventy-two houses were re-inspected, making a total of 4712. In 1924, 3,918 dwellings were inspected. Total inspections for the year 15,064.

I strongly urge that collections of rubbish be made weekly during the summer season instead of monthly. Monthly collections mean that all rubbish will find its way to the cellar, there to remain until the Inspector orders it removed during the Fall inspection, unless a spark disposes of it before that time.

I wish to call your attention once more to the advisability of installing sprinklers in the basement of all schools, with the exception of the Hardy School (fire-proof) and the Russell School which is already equipped. I recommend that the Senior High School and the Junior High Centre be equipped with sprinklers the coming year; the Senior High School on account of its size, value, location and the inflammable nature of its contents; the Junior High Centre because of the general

nature of its construction, the liability of its destruction should a fire start in the basement.

All school buildings were inspected and 106 extinguishers recharged.

Two hundred and forty-two permits were issued to burn rubbish out of doors. These permits may be obtained at either station at any time.

Nine hundred and thirty-seven automatic fire plugs were installed during the year, making a total of 1,709 meters protected in this manner since first installation, February 1, 1924.

During the year the high water service was extended from the dead end at Russell Park opposite No. 20 Mystic Street in a loop around Chestnut Street to the dead end at the Russell School on Medford St., thus providing adequate protection for this high value district.

The water pressure to the Symmes Arlington Hospital has been increased approximately thirty-five pounds and in addition a sprinkler system has been installed, which, with constant inspection, provides everything desired for the safety of the occupants of this building.

Connection from the five-foot Metropolitan water main to the low service system was made October 26th, increasing the pressure approximately twenty-two pounds, and furnishes an inexhaustible supply to the low pressure area.

### NEW FIRE HEADQUARTERS

September 26th, the Department moved into the New Headquarters Building. It was not completed on this date but it was necessary to vacate the old station that the building wreckers might begin the work of demolition, which was started October 5th. The old station had been in constant use since 1872.

Beginning with the occupancy of this building a fireman is on duty at the telephone switchboard every minute of the day and night to receive calls by telephone and transmit alarms.

The Fire Alarm System was transferred to the new building November 18th from the Old Town Hall where it had been since 1900. The whistle still remains there, to be transferred to the Tower of new building the coming year.

### NEW PUMPING ENGINE

I recommend that a seven hundred fifty (750) gallon pumping engine be purchased at a cost of \$12,500.

When the Park Circle Fire Station is completed early next year, an engine should be installed there. The water pressure in the section adjacent to the water tower is very low, approximately thirty pounds, insufficient, without the aid of a pumper to provide adequate water to combat a serious fire.

It is planned to place the present engine (six hundred gallon capacity) in this district in the event of a seven hundred fifty (750) gallon pump being purchased.

With the exception of a ladder truck this year, the town has not purchased any fire apparatus since 1915 and the only addition to the equipment since that time has been two combinations built by the firemen in 1917 and 1918.

Combination A was purchased in 1911.

Engine 1 was purchased in 1913.

Ladder 1 was purchased in 1915.

The age of the apparatus will readily convince all who are familiar with automobiles that constant and excellent care has been given this equipment to keep it continually active in extremely hard service, and also of the necessity of replacing it in the future.

Twice this year, during repairs we were obliged to borrow apparatus from Cambridge, a combination from April 26th to July 2nd, a ladder truck from November 10th to December 12th. The Department would suffer serious handicap had not Cambridge these spare pieces, and a neighborly disposition to lend.

The enormous growth of the town, not concentrated growth in any one section, but including all sections and areas, makes it imperative to provide additional apparatus.

The permits issued by the Building Inspector for dwellings from January 1, 1922 to December 31, 1925 more clearly denotes the additional number of lives and amount of property demanding protection by the Fire Department.

Total 1 family	616	Total houses	1674
Total 2 family	1058	Total families	2732

Allowing three to a family—total persons 8196—in addition 1204 garages were erected.

The above figures would indicate that in these four years dwellings to accommodate a population greater

than the Town of Lexington (7785) have been erected, and yet Lexington provides two engines, one ladder truck and two combinations, five pieces of apparatus in all, only one less than Arlington with a population of 24,943. Winchester, population 11,565, also has two pumpers, two trucks and two combinations. Belmont, population 15,256, has two pumpers, one truck and one combination.

### RECOMMENDATIONS

I recommend that a main be laid from the junction of Mystic Street and Chestnut Street to connect with the high pressure line on Summer Street.

I also recommend that hydrants be installed on the low service between the Old Town Hall and Brattle Street. Between these two points there are no hydrants at present on that service.

On the intermediate service main between Brattle Street and Forest Street four hydrants should be installed. In case of fire on the northerly side of Massachusetts Avenue, hose is stretched across this thoroughfare completely tying up all traffic, often for a considerable time. Massachusetts Avenue is one of the main arteries of travel in this Commonwealth, and it is to avoid interruption of this traffic that the above recommendations are made.

### DRILL TOWER

I recommend that a Drill Tower be erected in the rear of the Highland Station, where the firemen can have regular, systematic training in the use of ladders, hose, life nets and all fire appliances. The Drill Tower is the only practical means of giving the men actual training in the many phases of fighting fires. The cost will be for material only, as the work of construction will be done by the firemen.

This year, through the courtesy of Commissioner Glynn and Chief Sennott, eight of our men took a thirty-day course in Boston Fire Department Drill School.

Arrangements are now completed with the Boston Metropolitan Chapter of the American Red Cross, whereby all firemen will be given instructions in First Aid. The course will require ten weeks, beginning January 5, 1926, under the direction of Dr. Kingman.

To furnish the necessary fire protection required for a town of this size, I recommend that nine men be added to the present force; four to be assigned to the new station at the Heights.

I recommend an appropriation of \$78,935.75 for the maintenance of the Department for the ensuing year, this sum to cover the expense of procuring a pumping engine, nine additional men and the erection of the Drill Tower.

In concluding I wish to express my gratitude to the Honorable Board of Selectmen, the Board of Public Works and the Police Department, who many times during the year rendered valuable assistance to the Department.

I extend heartiest thanks to the officers and men of the Fire Department for their loyalty, obedience and faithful performance of duty.

Respectfully submitted,  
Arlington Fire Department  
DANIEL B. TIERNEY, Chief.

## DEPARTMENT OF POLICE

---

Arlington, Mass., January 1, 1926.

To the Honorable Board of Selectmen:

Gentlemen:

I have the honor of submitting my twenty-first annual report of the doings of the Police Department for the year ending December 31, 1925.

There have been 1956 cases brought to the attention of the Court during the year. Of this number 38 were females and 58 were juveniles or persons under 17 years of age, and 1177 non-residents.

The Chief has attended Court 101 days, and the officers 1053 days during the year in the prosecution of the various cases.

Fines and costs to the amount of \$8,145 were imposed by the District Court.

### MISCELLANEOUS BUSINESS

Under this heading comes the detail work of the individual patrolman showing some of the numerous things he constantly has to watch out for and attend while patrolling his route and make an intelligent report of the same to the station.

The gross carelessness of the individual storekeepers is again manifest by the finding of 607 stores unsecured at night by our patrolmen as against 564 last year.

Accidents reported (all kinds)	381
Ambulance calls	30
Buildings reported vacant, protected	318

Search warrants for stolen property served	1
Wagon calls	160

### TRAFFIC

The lives and safety of our citizens are the vital issue in this problem of handling traffic, and this has been the foremost thought in trying to make our streets safe for them.

This past year has seen a tremendous increase in auto traffic over our main thoroughfares, and on days of heavy traffic 2600 per hour have crossed the Boston & Maine tracks on Massachusetts Avenue at the Center.

I feel that the efforts of your Traffic Officers have been highly successful and commendable in that during the year only two deaths have taken place. In the first instance, on May 29th Mrs. Nettie M. Edwards was struck while crossing the Avenue at Grove Street. It was 9:30 at night and rainy, and the driver stepped on the gas and kept going. There were several eye witnesses to the accident, but not one could give any information of value in detecting the car or the guilty driver.

The other was at the junction of Rawson Road and Broadway, when Eugene Cunningham was struck and killed. This occurred about 5:45 A. M. on the morning of December 5th. It was very dark and rainy at the time. The Grand Jury has brought in an indictment against one Bernard McGoldrick for murder in the second degree and for not stopping, and driving so that lives and safety were endangered. This case is now pending in the Superior Court.

Personal injuries reported due to auto collisions were 27, as against 51 last year.

Auto collisions reported, in which no personal injury was involved, were 150 as against 227 last year.

Twenty-eight autos were reported to us as running into trees, posts and fences.

Fifty-two pedestrians were injured more or less by autos.

During the year we placed two traffic men on motorcycles from 8 A. M. to 6 P. M. and later two more traffic men were detailed to operate them from 6 P. M. to 1 A. M. We have found that it is an expensive proposition to have four men riding two machines, and if this programme is carried on each man should have a separate machine. The chance of personal injury to officers detailed for this duty is greater than on traffic post and

7

requires men of both ability and agility. Much time was devoted to traffic on the Summer Street Boulevard by motorcycle officers, and many speedsters have paid fines.

On the turning of Broadway into a boulevard the motorists immediately started using it as a speedway and Traffic Officer Ryan was immediately detailed from 2 P. M. to midnight to this roadway on the motorcycle. Numerous arrests have been made by him for speeding and not slowing down at street intersections and will continue until such time as speedsters learn that speeding will not be overlooked by your police.

If in the power of your Honorable Board, I would suggest that autoists entering upon main arteries from side streets be compelled to come to a full stop before entering the line of travel. If this traffic rule can be adopted it will prevent many need'less collisions by selfish drivers.

There should be a more general use of Danger "Flare Backs" at dangerous curves, and some street intersections, especially along the Summer Street Boulevard, Mystic and Pleasant Streets, and Aluminum Arrow Signs should replace the worn-out wooden ones now in use, and "No Parking" Aluminium Signs should be placed on hydrants and electric car pole stops for the education of unthinking drivers.

The traffic situation is one that is giving serious apprehension to all Police Departments throughout the State, and we have attended many conferences of the Chiefs of Police and able traffic experts in an attempt to devise some system that will minimize deaths and injuries on our streets.

This Department by law is required to keep a record of the sale and exchange of all automobile transactions in Arlington, and 1025 automobiles have been so recorded as against 690 in 1924, and 5577 autos have been reported

to us as having been stolen in the Metropolitan District during the year.

Thirty-three automobiles were stolen in Arlington this year and all but one have been recovered, and we have recovered 43 reported to us as stolen from other cities and towns.

### THE POLICE FORCE

The Annual Inspection of the Police Department was held on October 4, 1925, in the Old Town Hall, and I feel that I am justified in saying that the members of the department made a most creditable showing, and I wish that more of our townsmen could have been present to see them as a whole.

Your police force is as good as the best, and I feel a little above the average. We know that they have tried to make Arlington just a bit better place to live in and have obtained results and that is what counts.

The question of increase of pay is again brought to your attention this year in which a Committee of Patrolmen met your Honorable Board and asked that the maximum pay be increased from \$5.50 to \$6.00 per day.

There is no dearth of applicants for appointment to the police force, but we have been ever on the lookout for quality and not quantity.

Officers Pick, Barry and Mahoney were laid up 56 days during the year on account of injuries received while on duty. Officer Barry is still undergoing hospital treatment.

During the year the members of this Department have reported in as sick 242 days.

Forty-nine weeks or 343 days' vacation and 53 days leave of absence granted, and the 1 day off in 8 as required by law was observed by 1256 days off, making a total of time lost 1894 days.

The officers have been paid \$1,413 for details to dances, theatres and weddings during the year.

The needs of a new Police Station have been clearly demonstrated for the necessary handling of the 30 men that now comprise the force.

The general offices are in much needed repair and the cell rooms are unmentionable.

No appropriation has been asked for to make these repairs on account of the fact that we believe the citizens are fully aware of conditions, having at the last Town Meeting ordered and purchased a suitable lot of land on Central Street for a new Police Station, and the appointing of a Committee to submit plans and specifications at the next Annual Town Meeting.

During the year we have had 38 breaks, 8 attempted breaks, and 2 holdups. Every means at our command was used in our endeavor to reduce this phase of crime to a minimum. Not only was Inspector Hooley detailed to give his undivided attention to his class of crime, but for weeks at a time every available day patrolman and

\*\* Resigned

traffic officer were assigned to evening duty, and night patrolmen to afternoon duty in the residential districts.

In view of what was happening in the cities and towns surrounding us, we were indeed fortunate that we did not have more. During the year 19 persons were arrested and held for breal ing and entering; 77 for larceny and 2 for robbery.

Fourteen persons were arrested for Violation of the Liquor Laws, and fines amounting to \$350 imposed and paid, two were given suspended sentences and eight were found not guilty and discharged.

I do not believe there is a town in the State of the size of Arlington so free from the sale of liquor.

### POLICE SIGNAL SYSTEM

The Police signal system, although installed twenty years ago, still continues to function. There were 78,915 duty calls rung in and 3,883 telephone calls received from officers while patrolling their routes during the year.

The care of the System has been under the supervision of Superintendent of Wires Mason. It will be (owing to the growth of buildings) necessary to add new boxes and make necessary repairs and adjustments on the System this year.

The expense of this has been taken up with Superintendent Mason, and the cost will be included in his report, and includes a new box at Palmer or Wyman Streets near Warren Street; a new box in the vicinity of Milton Street in the newly developed section; box 21 moved to Parallel Street and Medford (present location Lewis Avenue and Medford Streets), and junction boxes made of Boxes 21-23 and 43.

In these times of unusual crime and criticism every confidence and encouragement should be given your police in their arduous duties. The police have to rely

on the citizens for much information and your police are ever ready to uphold your laws; they are ready every second of the twenty-four hours at the other end of your telephone to answer your call and act.

Your safety is their chief concern, they guard your children as their own, and risk their lives for you and yours, which to them is "All in a day's work." Your police are always ready for service whether on or off duty, and neither rain, sleet nor biting winds can swerve them from the path of duty. This is the spirit that emanates in your Police Department and should receive encouragement.

In conclusion, I take this means in publicly expressing to your Honorable Board my sincere appreciation for the loyal support and wise counsel given me in arduous duties performed.

To the Honorable Justice of the Third District Court, Arthur P. Stone and his Assistants, is due my deep appreciation for the loyal co-operation given the members of this Department. •

And my thanks are also due to those who have in any way assisted us in making Arlington a better place to live in.

Respectfully submitted,

THOMAS O. D. URQUHART,  
Chief of Police.

Respectfully submitted,

WILLIAM GRATTO,

Inspector of Buildings.

## REPORT OF SEALER OF WEIGHTS AND MEASURES

---

Arlington, Mass., January 1, 1926.

To the Honorable Board of Selectmen:

Gentlemen:—I herewith respectfully submit my first annual report of the services of this Department for the year ending December 31, 1925.

Number of scales, weights and measures sealed	2065
Number of scales, weights and measures condemned	132
Total	<hr/> 2197
Weights found incorrect and adjusted	42
Scales found incorrect and adjusted or repaired	50
Pumps having measuring devices adjusted	262
Total	<hr/> 354
Weights condemned	5
Scales condemned	35
Measuring pumps condemned	76
Liquid measures condemned	16
Total	<hr/> 132

Two thousand one hundred and ninety seven scales, weights and measures were inspected, sealed or condemned at places of business and statutory fees were received and same paid to the Tax Collector.

In conclusion I would recommend that hawkers and pedlers of fish, fruits and vegetables of the Town of Arlington at the expense of the licensee, provide a

badge for each foot pedler and plates for each pack, parcel or vehicle used in hawking or peddling. Such badges or plates shall bear the number of the license, the word "pedler" and such other information as the Selectmen may deem necessary. Each foot pedler shall wear his badge in a conspicuous place. Each wagon or other vehicle shall bear the name of the licensee plainly inscribed or painted on the body of the vehicle, and shall also have attached to the front or side of the vehicle in a place where it may readily and plainly be seen, the plate provided by the selectmen with the license number attached thereto.

Respectfully submitted,

LOUIS V. WITHERELL,

Sealer of Weights and Measures.

# REPORT OF THE INSPECTOR OF ANIMALS

---

Arlington, Mass., January 1, 1926.

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report as Inspector of Animals.

During the past five months one case of Rabies was found in the Town and five dogs were quarantined for having been in contact with the case. Seven dogs were quarantined for biting people.

Respectfully submitted,  
Ervin F. Schroeder, V. M. D.,  
Inspector of Animals.

Number of House visits	89
Number of Office visits	29
Number of Police calls	44
Maternity Cases	2
Vaccinations	3
Minor operations	2

Respectfully submitted,

HAROLD R. WEBB,

Town Physician.

# REPORT OF THE GYPSY AND BROWN TAIL MOTH DEPARTMENT

---

January 1, 1926.

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report as Superintendent of Moth Department for year ending December 31, 1925.

## GYPSY MOTH

The condition of the Town in regard to this insect is very good. There is a slight and scattered infestation throughout the Town. The largest colonies of nests are found on the willows in the rear of the Cemetery, around the shores of Spy Pond, rear of High School and at the Winchester line of the Mystic Street section. From examinations made this winter I find the nests are much larger and of a healthier appearance than I have seen for a number of years. This same condition exists throughout the State. Entomologists have advanced many theories on this condition, but in my opinion it is due to climatic conditions. It has been reported by the U. S. Department of Agriculture that there is a decrease in the number of parasitized eggs due to the same influence, and this in turn is in favor of the Gypsy Moth. The condition which existed on the Cape this past year when acres of woodland and cranberry bogs were stripped, plainly demonstrated what injury this insect can do in a short time unless held in check.

## SATIN MOTH

The favorite tree which this insect preys upon is the poplar, and wherever that species of tree is you are almost certain to have this moth. A very heavy infestation of this moth was on the poplars on Lafayette and Fairmont Streets this past summer, and it was necessary to spray these trees twice. The best control method is by spraying with arsenate of lead at the rate of 10 lbs.

to 100 gals. of water, adding a Spracene mixture as a sticker. I would advise two sprayings, one in May and one in July.

### FALL WEB WORM

This insect which many mistake for the Brown Tail is very numerous especially on fruit, cherry and willow trees. There are two broods of this insect in a year. The first brood appears about the last of April and is rarely abundant enough to attract attention. The second brood appears about the last of July or the first of August and the nests are so very large and so numerous that not only do they attract attention but are very unsightly. The best method of control is removing all wild cherry and worthless willows and spraying with arsenate of lead as soon as caterpillars appear. Unless control measures are adopted, this insect will defoliate the infested tree.

### BROWN TAIL MOTH AND ELM LEAF BEETLE

These insects are so scarce in this Town that but little attention is necessary.

This report should not have the effect of creating a feeling of security that would lead us to contemplate a cessation of our efforts to combat these pests. Experiments in the past have shown that nests of these insects hatch between 300 to 500 caterpillars. It cannot be expected that all nests will be found, as the habit of the Gypsy Moth is to lay her eggs in the most concealed places, such as old tin cans, under boards, behind window blinds and in stone walls. I believe it would be false economy to relax our efforts now and endanger the future. The past year the appropriation to finance this department was \$4500 out of which the Town will receive back close to \$1800 for work done on private places, leaving the cost to the Town about \$3700 to keep it in the clean condition it is at the present time. The following is a detailed statement of the expenses and nature of work for past year.

## BOARD OF HEALTH

---

In submitting this the 31st annual report of the department we are pleased to record the past year as one without any unusual number of communicable diseases. We have given much thought and study to communicable diseases, and we are of the opinion that the number of cases of each reported annually among our school population can and should be reduced. Further along in the report we suggest how this may be accomplished. Our death and infant mortality rates will compare favorably with surrounding towns of equal population. Reference to our morbidity report will show the various diseases and the number of each reported during the year.

### ORGANIZATION OF BOARD

ALFRED W. LOMBARD, Chairman,  
CHARLES F. ATWOOD, M. D.  
ERNEST R. BROOKS, D. M. D.

### APPOINTMENTS

WILLIAM H. BRADLEY, Agent and Clerk  
EZEKIEL PRATT, M. D., Physician to Board  
EZEKIEL PRATT, M. D., Bacteriologist  
E. F. MACKAY, D. M. D., Dental Operator,  
LOUISE L. LaPORTE, R. N., Asst. to Dental Operator  
LOUISE L. LaPORTE, R. N. Nurse  
ALFRED W. LOMBARD, Inspector of Milk  
WILLIAM H. BRADLEY, Collector of Milk Samples  
CHESTER L. BLAKELY, M. D. V., Insp. of Slaughtering  
WILLIAM H. BRADLEY, Insp. of Slaughtering

The primary functions of the Board of Health is the abatement of conditions that might cause disease or

constitute a nuisance, and the application of knowledge gained by experience in preventing the spread of disease once it has started in the community. Communicable disease germs in one form or another are with us at all seasons of the year, and receiving as we do daily reports from the local physicians of all communicable diseases occurring within the Town, places us in a position to observe, and our observations would lead us to believe that the time is drawing near when serious consideration should be given to the employment of a full time school physician. One who would devote his whole time to the care of the children. Not to treat, but to prevent disease gaining a foothold, by promptly excluding from school (temporarily) any child showing signs of illness, and to advise with parents or family physician in each individual case. This plan, in a measure, would place the responsibility for the health, and perhaps the lives of some of our more than five thousand school children on the shoulders of the physician, and should certainly lessen the spread of a disease, at the same time lessen the anxiety of parents during the school life of their children.

In our report of 1925 we mentioned the "Ten Year Health Program" which the State Department of Public Health is to inaugurate throughout the Commonwealth for the purpose of forestalling or detecting Hilum or Juvenile Tuberculosis. Hilum or Juvenile Tuberculosis is most frequently found in children between five and twelve years of age. In the majority of cases it is confined to the lymphatic glands. It is now believed by the medical profession and tuberculosis specialists particularly, that at this age period of child life, the disease will more readily yield to intelligent treatment and that the physique can be built up, and by careful continued living, maintain sufficient immunity to resist the inroads of the disease throughout adult life. On the other hand if neglected, the glands become swollen, break

down, resulting in pulmonary tuberculosis, and a life of suffering and misery. The program was carried out in Arlington during the month of April 1925, when three hundred and eleven undernourished children, with the consent of their parents underwent the examination at the hands of these Public Health Specialists with the following results: Thirteen were found to be afflicted with Hilum Tuberculosis. Five with Latent Hilum Tuberculosis, and fifty were classed as suspicious cases. The parents of each child were furnished with a written report as to its condition. We shall probably be called upon, during the next few years, to assist financially some of these children in regaining their health.

Two very successful Schick test clinics were held during the year. Reports show that this wonderful preventive against Diphtheria is gaining in favor throughout the country. We shall hold two or more free clinics during the coming year.

In regard to our Dental Clinic, we are pleased to be able to repeat our report of former years, that the clinic is functioning satisfactorily, and add that the number of children requiring dental treatment is ever increasing. A detailed report of the work performed will be found in the report of the Dental Operator.

In our report of last year we stated that the Valley Sewer, the construction of which had already begun, would, we believe, be completed during the year 1925. In this we were disappointed. The work for various reasons was not pushed forward as rapidly as we had anticipated. We do hope however to see this sewer completed to its terminus in Forest Street the coming year.

The weed growth in Spy Pond, while not a menace to health, is unsightly and more or less of a nuisance, giving forth as it does at times, an odor which is disagreeable to persons obliged to reside in the vicinity of the pond. According to our records this growth and

these odors have been the cause of complaint for a period covering more than twenty-five years. During the past year we have been instrumental in interesting the State Department of Public Health to the extent of having them make a thorough investigation of the pond and the probable cost of the removal of this growth. The report of this investigation will probably come before the Annual March Town Meeting of this year, at which time the voters can decide as to just what course they wish to pursue in the matter.

We receive from time to time complaints due to stagnant water lying in unaccepted streets. We would recommend that as many of these new streets be accepted and rebuilt the coming year as possible, and that preference be given to those most in need.

We have requested the Board of Public Works to include in their budget sufficient means to allow the following:

Weekly collection of rubbish throughout the year.

Daily collections of garbage from commercial establishments within the business districts from May 1st to November 1st.

The extension of sewer mains and house connections wherever needed.

**LICENSES AND PERMITS:** An increased number of licenses and permits conforming with the statutes and our regulations were issued during the year.

The statistical reports, together with the reports of appointees, each giving an account of their work in detail, are appended.

Respectfully submitted,

ALFRED W. LOMBARD,  
CHARLES F. ATWOOD, M. D.,  
ERNEST R. BROOKS, D. M. D.

During the week of the reopening of the schools for the fall term the usual examination of the children of the second grade was made. Eighty-seven per cent of the five hundred and sixty-six children examined were found to have defective teeth. Cards were sent to the parents and the clinic has been well attended.

During the first week in June an examination of the children worked on the previous year was made in an effort to determine the value of the work done. One hundred and fifteen children were examined, thirty-four were found perfect, seventy-six in fair-condition and four in poor condition. This was all of last year's work available for examination due to changing schools and families moving from Town.

### REPORT OF MILK INSPECTOR

To the Board of Health, Arlington, Mass.

Gentlemen: I herewith submit my report as Milk Inspector for the year ending December 31, 1925.

The milk supply of Arlington during the past year has continued to improve both from the standpoint of food value and health. The average amount of milk solids has increased while the bacteria content has decreased. The dealers are making every effort to improve the quality of their supply and are handling their product more carefully. The increased competition has helped to bring about this result. A summary of the year's work follows.

Licenses Issued	{	For sale of Milk from stores	150
		For sale of Milk from vehicles,	43

## REPORT OF AGENT

To the Board of Health, Arlington, Mass.

Gentlemen: I herewith submit my report as Agent of the Board for the year ending December 31, 1925.

In so far as possible weekly inspections of all food producing and distributing establishments have been carried out. The number of such inspections together with other work in connection with the duties of the Agent follows:

Inspections	Stores and Markets	871
	Fish Markets	208
	Bakeries	208
	Lunch Rooms	228
	Lunch Carts	94
	Ice Cream Parlors	174
	Fruit Stores	114
	Delicatessen Stores	65
	Chain Stores	230
Total		2192

Other Inspections 75

One hundred and eighty-six complaints requiring investigation were received and adjusted. Numerous minor complaints were adjusted by the Agent without action by the Board.

Upon request of physicians hospitalization for persons afflicted with communicable diseases was provided as follows.

Patients placed in contagious hospitals for Scarlet	
Fever	14
Patients placed in contagious hospitals for	
Diphtheria	11
Patients placed in contagious hospitals for Whoop-

## REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR 1925

---

To the Citizens of Arlington:

Your School Committee organized for its year of work with one change in its membership of last year, the loss of the services of Mr. Myron W. Dole, who retired after five years of service. The Committee and the Town are under a debt of obligation to Mr. Dole for a record of uncommon devotion, both of time and effort, to the interests of the schools. He was a worker, willing to shoulder any amount of labor and responsibility, active in loyalty, punctual and thorough in the discharge of duty. The place left vacant by his retirement was filled by the election of Mr. Bradford E. Swift.

The two outstanding points of interest in the Committee's work for the year have been its reorganization of the school system with a view to the greatest possible economy of administration, and the continuance of its building program to meet the imperative demands of our rapidly growing school population.

Following the plans set forth in the Superintendent's report of last year, a great deal of time and effort has been given by your Committee and the Superintendent to strengthen the structure of our school system at points where weaknesses appeared, and to cut expenditure in every possible way compatible with efficiency. Further progress has been made in secure uniformity of school practice throughout the system and in eliminating experimental work, in favor of essentials, in the grades and in the Junior High School. How successfully the revision of methods of business administration has served the interests of the taxpayers is best shown by the most recent report of the State Board of Educa-

tion. Here may be found the following facts, of interest to every citizen:—(1) the school population of Arlington has, in the last three years, increased more rapidly than the population of the Town; (2) in the same period the cost per pupil in Arlington, higher than the state average in 1922, is lower than the average in 1925; and the number of pupils per teacher, below the state average in 1922, has risen only to normal; (3) Arlington is one of the very few communities in which during this period, the annual cost per pupil has decreased. In this connection, it is almost superfluous to call attention to a fact of which so many citizens are now aware, that the chief factor in the success of this consistent policy of rigid economy has been the efficiency of our Superintendent of Schools.

Our building program, announced last year, is working out according to the plan adopted after a great amount of study and discussion, by the Committee and the Superintendent. That plan called for the erection of a new school in the Lake Street district for 1925; a new Parmenter building for 1926; a Junior High East for 1927; and relief for the Cutter-Peirce district, the Junior High West, and the High School, in the three years to follow. Thanks to the co-operation of the Finance Committee of the Town, the Planning Board and the voters of the Town, we have been able to carry through the first two steps in this program. The Hardy School on Lake Street, the newest and most finely appointed school in Arlington, has been put into service this year and was recently dedicated. Already the Town has voted the appointment of a committee to consider plans for a new Parmenter School for use the coming September. The next step is provision for a Junior High School East, the one point where our system most needs relief. An important question to be decided within the next year or two is what addition to our present High School will best meet the interests of our High School pupils—who

constitute one of the largest High Schools, in relative size, in the state. Your committee is strongly in favor of separate High Schools for boys and girls and recommends serious consideration of this question by the citizens.

Two other feature of the year's work seem worthy of mention. The Committee has this year abandoned the no-school signal on stormy days, leaving to parents the option as to attendance of pupils. This policy, recommended by the Superintendent of the Boston schools, and followed by many of the better school systems, has already justified its adoption. We have also made during the year several slight modifications of the division lines between districts, with a view of making it unnecessary for the children of any district to cross Massachusetts Avenue. Within a year or so this can be worked out, it is believed, so as to do away altogether with this danger.

The Committee has this year been the fortunate recipient of a large number of beautiful pictures, copies of famous masterpieces and photographs of special literary and historical significance, provided through the generosity of the Arlington Woman's Club. It is a pleasure to acknowledge our gratitude to the Club for this gift, and an appreciation of the invaluable aid given by Mrs. Dallin, who made the selection. Our gratitude is also due to the Woman's Club and to the Arlington Heights Study Club for the establishment of funds for scholarships.

Respectfully submitted,

A. H. RICE,  
Chairman of School Committee.

# REPORT OF SUPERINTENDENT OF SCHOOLS

---

January, 1926.

To the School Committee and Citizens of Arlington:

It is a pleasure to record at the beginning of this third annual report that practically all the reorganizations which seemed necessary three years ago have been completed, and the department has been reaping the benefits of the improvements resulting from such changes. It might not be out of place to list the more important benefits, giving a resume of three years' effort as reflected in the improvements accomplished:

1. Reorganization of departments resulting in the reduction by twenty of the number of teaching positions. The resultant savings are not for one year, but continue and increase each year.
2. Reduction of the average cost per pupil from 1922-1924 by five dollars in spite of the fact that the State average cost per pupil increased during the same period by five dollars and sixty-five cents, an improvement of ten dollars and sixty-five cents per pupil in Arlington's favor.
3. Improvement of business methods resulting in further savings.
4. Elimination of unproved and experimental policies.
5. Introduction of greater uniformity in school plan and practice.
6. Doubling the ground covered by the physical training department with small additional expense.
7. Revision of the grading system in elementary schools.

8. Reduction of turnover in teaching corps from 25% per year to less than 10% per year with resulting improvement in faculties.
9. Partial improvement in salary situation for teachers. (Much more must be done along this line at once.)

Our unfinished work lies at present in the following fields:

### I. REORGANIZATION OF SUB-PRIMARY ON KINDERGARTEN BASIS

This would make possible a change in the entering age requirement, from four years, eleven months to four years, eight months. There are three chief reasons for the change other than the desirability of kindergartens in the school department:—first, it will eliminate the controversies and disappointments resulting from children becoming five years old a few days too late; second, it will complete the plan for reorganization of the elementary department begun three years ago; third it will help materially in the effort to get the children into and through the Junior High School before they have lost their enthusiasm for school work.

### II. ADDITION TO THE CORPS OF SUPERVISORS

We have full time supervisors for Music, Art and Physical Training, and part-time supervisors for Mechanic Arts, Household Arts, Special Classes, and Penmanship, and the Superintendent of Schools is expected, in addition to his other duties, to supervise all other subjects in all schools. The size of the department requires, in order to carry on this general supervision effectively, that a supervisor for the elementary schools be provided to assist the Superintendent. In the Junior High School department such assistance can be cared for by having one of the active principals act as supervisor of the other Junior High Schools. This should go into effect when the Junior High School East is in operation.

### III. IMPROVEMENT OF THE SALARY SITUATION FOR TEACHERS

This is necessary in order that we may not be handicapped in competition with our neighboring departments in securing services of good teachers. The salary situation has not materially changed in Arlington within the last five years. Many other school departments with a lower or equal salary schedule have recently established maxima higher than ours. Two years ago attention was called to the fact that the Superintendent was finding it increasingly difficult to obtain satisfactory teachers at the salaries our schedule allowed. Unless something is done soon to improve the situation, the result will be reflected in the quality of our teaching personnel and the Arlington School Department will be in danger of being forced into a "back seat" from its present position among the foremost school departments of the Commonwealth. It is recommended that the salary maximum in each department be increased as soon as possible, and further, that a credit system be established by which teachers may earn an advance in salary beyond the maximum and by which the Arlington School Department may retain the services of the most desirable teachers in spite of higher maximum salaries elsewhere.

### IV. EXTENSION OF THE PLAYGROUND FACILITIES

In Spring and Fall, because there are so many teams in so many different sports for both boys and girls, the size and facilities of Spy Pond Field are not only strained to the utmost, but are wholly inadequate to the situation. This is true in spite of the relief afforded by the Crosby playground, the Cutter playground and whatever other places are available. The recreation program has begun to function to the extent that it is necessary for an athletic field to be provided in the rear of the High School Building and the

Junior High School West Building, unless the health, happiness and well being of the young people are to be allowed to suffer from the failure to provide recreational centers adequate to handle the numbers wishing to avail themselves of such training.

#### V. EXTENSION OF BUILDING ACCOMMODATIONS TO INCLUDE

1. A new eight room Parmenter building for Fall of 1926;
2. A new sixteen room Junior High School East for Fall of 1927;
3. A new four or six room addition to Junior High School West for Fall of 1928;
4. A new eight or twelve room elementary school in Brattle Street section for Fall of 1929;
5. A new High School or addition to present plant for Fall of 1930.

In this Building Program are reflected really pressing needs, not those of a remote or imaginary nature. We do not ask for a new building as soon as the maximum capacity of the old one is reached, but only after it has been far exceeded. For example, the normal capacity of the two Junior High Schools is twenty-four class groups, the maximum crowded capacity is twenty-eight groups. When school opens this September we shall have thirty-six class groups, with forty in sight for September, 1927—all this without any additions for increases from out of town. It is not surprising that we have been clamoring for relief in the Junior High School situation for two years and insisting that a Junior High School East Building for use in the Fall of 1927 is imperative.

The Parmenter shows no great increase in enrollment during the last four years. It might be thought, therefore, that a new Parmenter School is not necessary, but this school has been sadly inadequate for years, with one class housed in a portable, one at the

Russell School, and one in the corridors—seven classes in a four room wooden building. At present the three extra classes are housed in three rooms of portable buildings.

A new eight room Parmenter building would make possible the use of the old four room building and portables for relief of the Junior High Schools during the school year 1926-27, relief which will be desperately needed.

In addition to these immediate needs, there is evidence that early relief will be needed for the Cutter School and the Senior High School. At the present rate of increase, before September 1930, we shall have doubled the number of students in the High School and shall have had in operation for two years a double shift with the upper classes in the morning and the lower classes in the afternoon, a very undesirable arrangement, unfair to students, teachers and parents alike.

Although the Cutter School has at present two unused class rooms, the Highland park section is rapidly developing and bids fair to crowd the Cutter School in a short time. The situation is more acute than is obvious because there is a "saturation point" for a grade or group of classes in any grade beyond which the acquisition of only a few pupils will cause organization of additional classes. Every grade in the Cutter School is at this saturation point of enrollment and will not take many more students to force the organization of six or seven extra classes. As soon as this is done, and it will probably come in September, 1927, the Cutter will be badly crowded, and the Brattle section building will be needed.

So much for the immediate future. For the outlook beyond the year 1930, there will be needed as a total equipment, eight elementary schools of sixteen-room capacity, four on either side of Massachusetts Avenue; four Junior High Schools of sixteen-class room

capacity, each with auditorium-gymnasium, lunch room and shop, the equal of twenty-room buildings, and two High Schools of 900 to 1000 pupil capacity each. This layout would care for the children of an Arlington of 50,000 population, twice the present size. To complete this program, not as great an amount of building as will appear at first thought will be necessary because the foundation is already laid, and the program for the period to 1930 cares for a considerable part of the work.

Purchase of adjoining property and a four or six room addition to Junior High School Centre, including gymnasium, lunch room and shop; purchase of adjoining property and a four or six room addition to the Russell School, including auditorium-gymnasium, lunch room and shop, for use as a Junior High School; a new sixteen room elementary school on Mystic Street to take the place of the Russell in the Centre, Mystic and Morningside sections for elementary school children; an eight room addition to the Peirce School; an eight room addition to the new Parmenter, and an addition to the new school in the Brattle Street section, will complete the program to care for the needs of the children of an Arlington upwards of 50,000 inhabitants.

Through the medium of this report, I wish to express my appreciation to the employees of the School Department of their devotion, their loyalty, their splendid spirit of co-operation with the administration and with each other. Not only does the Superintendent appreciate these qualities on the part of the members of the Arlington faculties, but many persons acquainted with the Arlington schools pay high tribute to the teachers and principals of our schools in the statement that here is exemplified as nowhere else in their acquaintance the spirit of co-operation so important and so desirable in a school system.

It is a pleasure to state in concluding this report that the hearty co-operation, the generous support and

the sympathetic understanding of the School Committee in my work as Superintendent of Schools, turn that work from an effort to a satisfaction and a pleasure.

Respectfully submitted,

CHESTER A. MOODY,  
Superintendent of Schools.

## REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

---

To the Town of Arlington:

The trustees of the Robbins Library submit their annual report.

The circulation of books and periodicals from the Central Library and Branches was 102,156, showing a gain of 15,359 over the circulation in 1924. The trustees are very pleased at the increase in the use of the library and they also feel that it emphasizes a need for the further extension of library service. A large increase in the circulation requires much more work on the part of the assistants and their co-operation has been very gratifying under the present rather trying conditions of reorganization. There is, of course, an added wear on the books and in consequence it is necessary to increase the number of books bound.

There was an increase of 1,155 in the attendance in the reading room and a loss of 450 in visitors. An increase in the attendance in the reading room is the only tangible method of showing added reference work; however, figures can in no way give an idea of the amount of time and work consumed in looking up questions and assisting the readers.

Circulation in the Children's Room was 28,176, showing a gain of 8,231 over the circulation in 1924. Readers show a gain of 1,726—15,309 as against 13,583 in 1924.

There were 1,567 new borrowers registered in 1925, showing a gain of 243 over 1924. Total registration shows an active list of 6,911 readers.

There has been a gain of 7,555 in books taken from the Stack Room, 59,750 as against 52,195 in 1924.

The use of periodicals shows a gain of 453—3,094 as against 2,641 in 1924.

Through the Inter-Library loan system there were borrowed from the Boston Public Library in 1925, 43 books. We also borrowed three books from the Cambridge Public Library and one book from the Lucius Beebe Memorial Library, Wakefield, Mass.

We wish to express our appreciation of the kindness and goodwill of Miss Grace Parker of the Arlington Advocate who prints our notices and book lists without charge. We also wish to thank Mr. C. S. Parker who has given to the library a complete file of the Advocate for 1925.

Among the donors to the library during the past year were—Arlington Heights Study Club, Arlington Teachers Association, Arlington Woman's Club, Miss Cora Ashley, Mr. Alfred Bacon, Mrs. James A. Bailey, Mr. John A. Dadekian, Mrs. Ella G. Damon, Mr. C. Frederic Evans, Miss Grace Fettretch, Mr. Charles H. Gannett, Mr. W. E. Hanna, Mrs. H. Turner Hodgdon, Mrs. Walter Leland, Mrs. C. T. Parsons, Mr. H. T. Poole, Mrs. Harry G. Porter, Mr. John A. Squire, Study Class of Friends of Drama, Estate of Roland Swan, Mrs. E. C. Turner, Woman's Alliance, First Parish Unitarian Church, Woman's Mission Circle, Universalist Church.

It was decided in 1923 to reorganize the library and this work has been continued during the past year and for some time the library will continue under the process of reorganization. The recataloging is more than half accomplished. Miss Middleton who joined the staff temporarily to recatalog the books resigned in September to accept a permanent position.

The library's lack of an adequate supply of books at the Central Library and both branches was spoken of in

1924 report and it is now necessary to again emphasize our lack of books in all classes. The library cannot "Carry on" if the book stock does not meet the requirements of the library readers.

During the past year the three following groups held exhibitions in the library—Boy Scouts, Camp Fire Girls and Girl Scouts. Pictures and posters done by the pupils of Mrs. W. Elliot Hanna at the Arlington High School and work done by the manual training classes of Mr. Alfred C. Cobb were exhibited in May and June. A keen interest was manifested by persons interested in the various subjects.

In addition to the above exhibitions the library held its annual Children's Book Week exhibition during one week in November. Many new books were on view as well as the old favorites in new dress. A fire was kept burning in the fireplace which added to the attractiveness of the room. In the glass case were shown some of the favorite books of authors popular with the children. There were 924 visitors to the exhibition. Some of the teachers assigned a visit to the library during the week as one of the required lessons.

Mrs. George B. C. Rugg has been giving a course of lectures on modern books in the Art Gallery on the third floor. The use of this room for lectures has been somewhat in the nature of an experiment as there is no partition closing off the gallery from the rest of the library. However, the results so far seem satisfactory.

Last winter a small group of women met once a week with Mrs. Rugg in the Trustee's Room to discuss modern drama.

As far as possible the trustees wish to encourage the towns people to use the library as a center for Town activities.

During July and August the library closed on Wednesday and Friday at six o'clock.

It is with deep regret that we report the death of our co-trustee, Dr. Charles A. Keegan, in January, 1925. Dr. Keegan was first elected a member of the Board in March, 1902, and has served as a member since that date. His interest in affairs of the Library was sincere and active, and the Trustees desire to place on record their high esteem of him as a citizen and their appreciation of his splendid co-operation in all matters pertaining to the welfare of the Library. On February 2nd, 1925, at a joint meeting of the Selectmen and Trustees, the vacancy in the Board was filled by the election of Dr. Charles J. Walsh.

Miss Eliazbeth J. Newton, the librarian has been given a leave of absence until June 1st, 1926.

Miss Matilda K. Leetch who has served the library faithfully for many years died on December 26th, 1925.

## TOWN ENGINEER'S REPORT

---

Arlington, Mass., January 18, 1926.

To the Joint Board of Selectmen and Board of Public Works.

Gentlemen:

Herewith is respectfully submitted the annual report of the Engineering Department for the year ending December 31, 1925.

The Engineering Department furnishes all the town departments and committee with such information, plans, designs, estimates and data of an engineering nature as they may require on work being done, or contemplated, also keeps careful notes, measurements and location of new work, additions, changes and extensions as they may occur, and properly records the same for future reference by maps, plans or profiles.

The North side of Massachusetts Avenue from Franklin Street to Soldiers' Monument, three hundred and eighty-nine (389) linear feet, the south side of Massachusetts Avenue from Wyman Terrace to the Arlington Garage, one thousand, six hundred and sixty-nine (1,669) linear feet, was reconstructed with Compressed Hassam Concrete. The excavated material was used for subgrading Brooks Avenue, Newton Road, and Hamlet Street.

Brooks Avenue from Lake Street to Elmhurst Road, seven hundred and sixty-eight (768) linear feet, Newton Road from Hamlet Street to Parallel Street,

three hundred and ninety-four (394) linear feet, Hamlet Street from Medford Street to Newton Road, two hundred and fifty-eight (258) linear feet and Surry Road from Daniels Street to Davis Road, five hundred and twenty (520) linear feet were reconstructed under the betterment act.

Three thousand, three hundred and fifty (3,350) square yards of granolithic sidewalks, and five thousand, seven hundred and twenty-three (5,723) linear feet of granite curb were laid.

Five thousand, one hundred and eighty (5,180) square yards of tar concrete surfacing was placed on old tar sidewalks in the central part of the Town.

For the number and length of sewer and water mains constructed during the year, see Board of Public Works Report.

A twelve (12) inch storm drain was installed in Massachusetts Avenue from Wyman Street to Foster Street, six hundred eighty-six and seven tenths (686.7) linear feet, a fifteen (15) inch storm drain in Massachusetts Avenue from Bartlett Avenue to Newman Way, one hundred sixty-five and four tenths (165.4) linear feet, a fifteen (15) inch storm drain in Warren Street from Beacon Street to Tufts Street, eight hundred eighty-six and nine tenths (886.9) linear feet, a twenty-four (24) inch corrugated iron pipe storm drain in Cemetery Street from Chestnut Street northerly, five hundred eighteen and three tenths (518.3) linear feet, a fifteen (15) inch storm drain in Everett Street from Massachusetts Avenue northerly, three hundred and fifty-seven (357) linear feet, a fifteen (15) inch storm drain in Harlow Street from Raleigh Street northerly, three hundred, thirty-seven and twenty-six hundredths

(337.26) linear feet, a fifteen (15) inch storm drain in Raleigh Street from Everett Street to Grafton Street, two hundred twenty-one and forty-five hundredths (221.45) linear feet, a twelve (12) inch storm drain in Massachusetts Avenue at Medford Street, sixty-one and four tenths (61.4) linear feet, a fifteen (15) inch storm drain in Massachusetts Avenue from Pond Lane to number 432, seven hundred and seventy-four (774) linear feet, a fifteen (15) inch storm drain in Massachusetts Avenue from Franklin Street northwesterly, one hundred eighty-six and three tenths (186.3) linear feet, a fifteen (15) inch storm drain in Broadway from Franklin Street northwesterly, one hundred and eighty-nine (189) linear feet, and forty-eight (48) new catch basins were installed to relieve surface water conditions in these sections.

A large number of Board of Survey plans were verified by this Department and approved by the Board of Survey.

Grading plans were prepared for the Cutter School Playground, Hardy School grounds, So'diers' Monument lot, and new Fire Station lot, and the work done under the supervision of this Department.

Street numbering plans of all new streets have been made, new buildings located, and numbers assigned.

Plans have been made by the various companies and corporations and filed in the Town Engineer's Office, showing the locations of structures for which permits were granted by the Joint Board during the year.

The Engineering Department has prepared plans and performed miscellaneous services for all the town departments and for the Town Counsel.

Annexed to this report is a table giving the names of all streets in the Town, public and private, lengths, widths and total mileage; also a table of general statistics pertaining to the Town.

Respectfully submitted,

GEORGE E. AHERN,  
Town Engineer and Superintendent of Public Works.

### ORNAMENTAL LIGHTING SYSTEM

50 Watt lamps, multiple, burning from 30 minutes after sundown to 11 P. M., 1,695 hours 49

Two of these lights on Pleasant street and two on Academy street corner of Maple street burn all night.

### INSPECTION OF WIRES IN BUILDINGS

Two thousand seven hundred and twenty-eight (2728) permits for electrical construction were issued, three thousand six hundred and eight (3608) inspections were made, and two thousand four hundred and five (2405) installations were approved.

There were no fires caused by defective wiring during the year.

### POLES AND WIRES ON STREETS

The Edison Company and the Telephone Company installed ten (10) new poles and replaced seventy-six (76) poles on public streets during the year.

### FIRE ALARM SYSTEM

There were five (5) Fire Alarm boxes installed as follows: Box 652, Gray st., corner of Oakland avenue in the place of box 82 which was moved to Gray street, corner of Walnut street; box 272, Mystic street, corner of Glen avenue; box 251, Webster street at Exeter street; box 172, Egerton road, corner Herbert road and box 171 moved to the Hardy School; and box 56, Park avenue extension near Blossom street.

The most improved type of eight (8) circuit repeater with sixteen circuit switch boards, and the necessary batteries were installed by the Gamewell Company in the new Fire Alarm Headquarters at 290 Broadway and put in commission.

### UNDERGROUND CABLES

Two thousand two hundred and twenty-two (2222) feet of 4-conductor lead-covered cable was installed in Chestnut street from Medford street to Mystic street, out Mystic street to beyond Summer street; and eight

hundred and fifty (850) feet of 4-conductor lead-covered cable in Park avenue from Massachusetts avenue to Lowell street, dispensing with the overhead wires in these sections, and giving underground service to Fire Alarm boxes 54, 27, 271 and Police box 22.

Boxes 12, 15, 24, and 42 were changed to junction boxes; and box 46 was moved up Mt. Vernon street to corner of Gray street.

Respectfully submitted,

W. E. MASON,

Superintendent of Wires.

# REPORT OF THE BOARD OF PUBLIC WORKS

---

The Board of Public works herewith submits its annual report for the year ending December 31, 1925.

At the Town Meeting held on March 2, 1925, James R. Smith was elected member of the Board for the term of three years. The Board organized on March 9 with the choice of Carl H. Bunker as chairman.

## APPOINTMENTS

At a meeting held on March 9, Harold N. Willis was appointed Clerk of the Board, water registrar, purchasing agent and bookkeeper. March 23, George E. Ahern was appointed Superintendent of Public Works. These appointments were for the year ending April 1, 1926.

## MEETINGS

The meetings are held Monday evenings. During the year the Board held forty-four meetings.

The following are the net expenditures made under the direction of the Board:

Highway Division	\$110,707 15
Sewer Extensions	60,327 17
Sewer Maintenance	6,694 88
Water Extensions	54,982 74

	\$445,487 86

## HIGHWAY DIVISION

The reconstruction of Broadway, the installation by the Metropolitan District Commission of its new fifty-six inch water main and the construction of the new Fire Station at the Centre, with the grading of Memorial Park, upset traffic conditions on Pleasant Street, Massachusetts Avenue from the railroad crossing at the Centre to Franklin Street, all of Broadway at times entirely shutting off side streets connecting therewith. This upset while regrettable was unavoidable. Because of this work, Broadway is now reconstructed for its entire width and length and the street railway tracks have been removed and the square at the junction of Massachusetts Avenue, Medford Street and Broadway has been reconstructed with concrete. At the corner of Medford Street and Broadway the side lines of the street were straightened by the acquisition of land formerly belonging to the old Cooper Tavern property, thereby increasing the size of the square and straightening out the side line of Broadway to conform to the side line of Massachusetts Avenue.

Seventeen thousand, three hundred ninety - three dollars and ninety-nine cents were expended on top surfacing public streets with either tar or asphaltic oil and streets were repaired and cleaned at an expense of \$26,641.70. Five thousand, eight hundred and twenty-eight dollars and eighty-four cents were expended on the care and repair of the storm drain system. Seven thousand, six hundred and twenty-three dollars and fifty-five cents were expended upon the upkeep of gravel sidewalks and \$10,376.04 upon the care and repair of permanent sidewalks. Included in the latter were five thousand one hundred and eighty square yards of top surfacing with asphalt of old permanent tar walks.

Following the policy inaugurated in 1917 a section of Massachusetts Avenue on the north side 384 feet long, extending from Franklin Street to the Soldiers' Monument, and one on the south side 1,669 feet long,

extending from Wyman Terrace to the Arlington Garage, were reconstructed with Hassam Compressed Concrete Pavement at a total cost of \$19,995.83.

Table 2 will show the expenditure for the year on Snow and Ice, Street Construction and Storm Drains.

The value of the property controlled by the Highway Division, January 1, 1926, amounted to \$45,091.39, classified as follows:

## SUMMARY OF SEWERAGE STATISTICS

### General

Population by census of 1925, 24,943.

Total area of city or town, 5.5 square miles.

Area served by sewerage system, 3 $\frac{1}{4}$  square miles.

### Collection System

For sewerage only, 49.04 miles, includes 3.47 miles Metropolitan sewer.

For sewerage and surface water, 0 miles.

For surface water only, 14.30 miles.

Method of disposal, sewerage into Metropolitan sewer, surface water into brooks.

### Collection

Mains. (Everything but house and catch basin connection.)

	For Sewerage Only	For Surface Water Only
1. Lineal feet pipe	259,419 feet	75,677 feet
2. Lineal feet extended during year	9,534 feet	5,362 feet.
3. Number of inverted siphons, 2.		
4. Number of manholes, 1,067.		
5. Method of flushing. Water service at manholes end of lateral lines.		

6. Method of cleaning. By special brush drawn from manhole to manhole.

7. Number of automatic flushing tanks, 0.

8. Number of direct connections with water mains for flushing, 40.

9. Number of flushings of system during the year, One-half of system.

10. Cost of flushing per mile, \$16.00.

11. Cost of cleaning per mile, \$16.00.

12. Number of stoppages, 3.

13. Method of ventilation, manhole covers.

14. Miles of permanent undermains, 4.58.

#### House Connections

1. By whom made, Sewer Division, Board of Public Works.

2. Sizes, 5, 6 and 8 inches.

3. Number made during year, 455.

4. Lineal feet laid during year, 19,732.

5. Lineal feet discontinued during year, none.

6. Total miles in use, 36.79.

7. Average cost per foot, connections made during year, \$1.24.

8. Number of stoppages coming to attention of Department, 86.

#### Discharge of Sewer

1. Estimated population using sewer system, 22,500.

2. Number of buildings connected, 4,003.

3. Daily discharge for year.\*

4. Daily discharge for each user.\*

5. Daily quantity of factory waste.\*

6. Daily leakage into sewers.\*

7. Daily leakage per mile of sewers.\*

8. Are quantities given under 3 to 7 estimated or measured?\*

\*Note: See Metropolitan Sewerage Board Report.

## General

Total cost of collecting mains, \$560,461.68.

Bonded debt at date, \$100,000.

Serial notes, \$78,000.

Value of sinking fund at date, \$53,313.11.

Average rate of interest on bonds, 4 per cent.

Proportion of cost of system assessed on abutters, 44 per cent.

Yearly assessment for maintenance, none.

Method of assessing abutters and rate of assessment, as fixed by Acts of 1896, Chapter 282, is 28 cents per lineal foot frontage and 52-100 cents per square foot for area within 100 feet of street line.

### WATER DIVISION

On October 26th water from that part of the new 56" main installed by the Metropolitan District Commission this year in Pleasant Street, Swan Street to Massachusetts Avenue, and in Massachusetts Avenue to Broadway, was delivered to the Town of Arlington's mains through a connection at the Centre, thereby increasing the pressure in the Town's low service mains and furnishing an additional source through which the Town can be supplied.

Seventeen thousand, six hundred and seventy-one feet of water mains were laid during the year and connected with the Metropolitan system. Details of this construction will be found in Table 6.

The value of the property controlled by the Water Division January 1, 1926 amounts to \$21,671.96, of which \$7,500 is invested in buildings, \$3,500 in tools and equipment, and \$10,671.96 in material available for new work.

### Services

Six hundred and forty-six new services have been added during the year and ten services abandoned. There are for all purposes 2,700 on the low, 2,269 on the high, and 13 on the old reservoir system. On the Metropolitan water supply there are 23 services for municipal buildings included in the above, 2 for street watering standpipes and 40 for sewer flushing purposes. On January 1, 1926, 165 services were temporarily out of use.

### Meters

Six hundred and thirty-six meters were set on services installed during 1922, 1923, 1924 and 1925. The total number of meters in use January 1, 1926 is 4,940.

# REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS

---

January 26, 1926.

To the Honorable Board of Selectmen,  
Arlington, Mass.

Gentlemen :

The Joint Board of Selectmen and Board of Public Works respectfully submits its twenty-second annual report for the year ending Dec. 31, 1925.

At the annual Town election held March 2, 1925, Mr. Nelson B. Crosby was re-elected Selectman for a term of three years, and continued as a member of the Board. Mr. James K. Smith was elected for a term of three years as a member of the Board of Public Works, and by virtue of his election, became a member of this Board.

The Board was organized with Charles B. Devereaux, Chairman and John A. Easton, Clerk.

The following appointments were made for the year ending April 1, 1926: Town Counsel, Paul M. White; Town Engineer and Supt. of Public Works, George E. Ahern; Supt. of Wires, William E. Mason.

## STREET LIGHTING

The existing lighting schedule was continued during the year. New lights were installed on all streets accepted by the Town at its annual meeting, ornamental lights were located for the new engine house triangle, and additional lights were installed at points recommended by the Supt. of Wires.

Appropriation for street lighting, 1925.....	\$19,700.00
Amount expended for street lighting, 1925....	19,233.83

---

Unexpended balance .....	\$ 466.17
--------------------------	-----------

## POLICE AND FIRE BOXES

During the past year building permits were issued amounting to approximately \$6,000,000, the greater part of which is represented by one and two-family dwellings.

In consequence of this large development, and in order to afford adequate protection, it was necessary to provide additional fire alarm boxes, which were located as follows:

No. 272 Mystic st., cor. Glen Ave.

No. 251 Webster St., cor. Exeter St.

No. 56 Park Ave. Ext'r., cor. Blossom St.

Three additional police signal boxes were installed in the following locations:

No. 33 at Lombard Road, cor. Lombard Terrace.

No. 47 at Park Avenue, cor. Prospect St.

No. 413 at Park Avenue Ext'n., cor. Summer St. Boulevard.

## COOPER TAVERN SITE

The sum of \$11,400 was appropriated to make a taking of a portion of the land known as the Cooper Tavern site and for the alteration and reconstruction of Broadway, so that the northerly line of this street should conform with the line of Mass. Ave. at Medford St.

An offer was made to the owners of the Cooper Tavern property for the land taken and for the supposed damage to the property by reason of such taking. The offer was not accepted by the owners, who brought suit against the Town.

The jury trial of this case resulted in an award of \$7,573.39, an amount substantially less than that demanded by the owners, and the Town was enabled to take the land, construct the street, and defend the suit all within the appropriation.

## BROADWAY RECONSTRUCTION

At the annual Town meeting an appropriation of \$40,000 was made for the purpose of reconstructing Broadway from the Somerville line to Medford Street. This appropriation, together with \$17,500 appropriated the previous year made a total of \$57,500.

With this amount in hand the Board requested Senator Warren and Representative Currier to take up with the State Department of Public Works and with the County Commissioners the matter of sharing with the Town the expense of reconstructing Broadway.

As a result of the earnest and untiring efforts of the Senator and Representative the State and County Commissioners appropriated \$15,000 each to apply on the construction of a reinforced concrete way twenty (20) feet wide in the center of the road. The Board takes this opportunity to express its appreciation of the co-operation given by the Commissioners of the State Department of Public Works and the County Commissioners. On either side of this strip the construction is of mixed asphalt. The reconstruction of the street has been completed, and Broadway is now the finest roadway within the Town.

## SIDEWALKS AND EDGESTONES

Granolithic sidewalks were constructed on the easterly side of Henderson Street and the westerly side of Highland Avenue for a distance of approximately one thousand (1000) feet. Sidewalks and driveways were constructed in front of various pieces of property following the application of the owners.

It has been the policy of the Board to each year install additional edgestones on Mass. Ave. and Broadway, and continuing the custom, a considerable amount of edgestones was laid this year.

## NEW STREETS

With the rapid development of the Town, dwellings are fast being erected on available land bordering on

private ways and vacant lots are giving way to homesteads with large increase in taxable valuation.

From these homes comes an insistent demand for better streets and also the willingness to pay for the improvement.

Dry, smooth sidewalks are most desirable for the pedestrians, especially the children, and with the present general use of the automobile good roadways are almost essential, and since the greater part of the cost of constructing the ways is borne by the abutters, the latter's demand for acceptance of their streets seems justified.

Public improvements have the tendency to make a locality more desirable and to invite the higher class development from which the Town derives its most profitable income. Moreover the fact that some thirty-eight (38) miles of Arlington's travelled ways are still private and unimproved indicates that the Town is far behind in its street construction program, and the Board would strongly urge favorable consideration and adequate appropriations for acceptance and construction of new streets.

### NEW DEVELOPMENTS

The Joint Board sitting as a Board of Survey approved and signed the Board of Survey plans of Edward A. Bailey for the laying out of Appleton Place Ext'n. and Burton St.; of W. J. Robinson for the laying out of Jean Road; of Jacob Bitzer for the laying out of Fessenden Road; of Sarah R. McFayden for the laying out of Coleman Road and Moulton Road; also the lotting plans of the F. C. Friend Mortgage Corporation for the development of Menotomy Road, School and Revere Streets.

The Board has endeavored with fairness and impartiality to administer its department with due regard to the best interests of the Town.

## REPORT OF PLANNING BOARD

---

To the Honorable Board of Selectmen:

Gentlemen:

In summarizing the activities of this Board for the past year mention should first of all be made of the increased number of petitions filed for changes in the Zoning By-Law. As these petitions require advertisement, investigation and subsequent public hearing this has resulted in a substantial increase in the work of the Board, especially as a considerable number of the petitions are filed just prior to the closing of the warrant for a Town Meeting. In this connection it is our feeling that the procedure now set up for securing changes in the Zoning By-Law and map is not the best which might be devised and as a result the Board is handicapped in carrying out this particular duty. We feel that the petitioner should be required to secure a reasonable number of signatures of residents who would be directly affected by the proposed change and that a definite legal description of the property, together with a plan of the same be filed with the petition. It would seem especially desirable that in a case where a change to the business zone is requested a statement also be presented by the petitioner covering the proposed use to be made of the land in question.

In general it has been the policy of the Board to refuse to grant individual changes in single pieces of real property unless there was some outstanding reason why in a particular case this should be done. The Board has found it difficult to do any appreciable amount of

constructive work in handling these petitions as the Board is confined in its report to the Town Meeting to recommending only, either favorable or unfavorable action on the exact article as it appears in the Town Warrant. On account of the time limits frequently imposed by the closing of a warrant and the fact that the only local publication, as required by the Zoning By-Law, can only be made on a weekly basis, there is little opportunity of discussing any possible modifications with a petitioner which might prove beneficial to the Town unless the matter has previously been informally brought to the attention of the Board.

Our investigation of several petitions has raised the question as to the possible use of the land under consideration, or that nearby, for future Town purposes. In line with this proposition it has been the feeling of the Board that at important street intersections the lots, usually triangular in shape, created as a result of these junctions, should be kept open as far as possible. In one such case the location was brought to the attention of the Board of Park Commissioners for consideration as a possible park site, in a section which within a comparatively short time will be closely built up. In another case while at least a portion of the property could be used to advantage in the widening of a street at a bad angle crossing and thereby reduce the collision hazard it was necessary in justice to the petitioner for the Board to recommend favorable action, which action if accepted would automatically enhance the value of the property and thereby increase the cost of any future taking by the Town. Along somewhat similar lines the Board has tried to secure a price on land, with the intention of recommending its purchase by the Town, the acquisition of which would tend to complete or improve any existing Town project, as for example our present Town Hall site or civic center.

An examination of our records indicates that during the past year fifteen petitions for changes in the Zoning

Map have been received by this Board. It is also of interest to note that with the exception of minor changes from the single residence to the general residence and a somewhat greater change from the general residence to the single residence zone in a particular section, that the Zoning Map now stands practically as originally accepted in 1924.

It is the feeling of the Board, however, that further changes in the original plan should be watched very carefully as there are still some farm areas which have not as yet been subdivided and which at present are in single residence zone. It is hoped that it will be possible to develop these areas without changing them to the general residence zone and thereby create a somewhat better balance between these two types of developments than now exists.

The Board notes with interest the tendency to depart from a uniform depth in the business zone as laid out on the original zoning plan in order that the land may be utilized for the erection of the larger and higher type of apartment buildings. The height of these proposed structures is at present limited by the provisions of the so-called Tenement House Act but action has already been started towards releasing this Town from the requirements of the act and it is sincerely hoped that this will provide a satisfactory solution to the problem of properly using expensive land which has become unsuitable for single and the ordinary type of general residence development.

We desire at this time to point out that the Board through its affiliations with other Planning Boards, through the co-operation of the State Division of Public Welfare and by contact with its technical consultant is in a position to offer advice or assistance with regard to some of the problems of the Town having to do with its welfare and growth. The Board wishes, therefore, to take this opportunity to offer to any of the other

Town Boards or to any of its citizens its services and co-operation in any way that may be desired.

The work of preparing a Town Plan which was delegated to the Board by a Town Meeting has been completed and this report will be submitted at the March 1926 Town Meeting. In the previous report of this Board reference was made to the agitation against the unsightly bill board along the highways. While the problem never reached an acute stage in this Town, nevertheless with the eastern end of one of the main cross country automobile routes which is at the same time a road of national historical interest passing through the entire length of the Town it is very desirable that the officials and citizens of this community do everything possible to prevent any construction of this kind taking place within our boundaries. It is also our duty to support our neighboring communities in their vigorous efforts to combat those interests which would set aside all the favorable legislation so far secured along these lines.

The personnel of the Board has been changed during the year by the completion of his term of office of Mr. H. B. S. Prescott, who had previously served the Board as Chairman. Mr. Prescott's own professional work and his intimate knowledge of local affairs made his opinions of great value to the Board. This vacancy was filled by the election of Mrs. Carolyn B. Reed. Mr. Charles M. MacMillin was elected Chairman upon the organization of the Board for the current year.

In conclusion the Board desires to acknowledge the assistance which the Town Engineer has rendered in making available the records of his office and in assisting both the Board and its consultant. The Board also appreciates the assistance of the Chief of the Police Department in connection with its study of certain traffic accidents and likewise wishes to acknowledge many favors from the Board of Public Works and the very evident desire of the Finance Committee to co-operate for

the best interests of the Town in its consideration of recommendations which it became necessary for the Planning Board to submit to the Town Meetings.

Respectfully submitted,

CHARLES M. MACMILLIN,  
CAROLYN B. REED,  
CYRUS E. DALLIN,  
ROBERT W. POND,

## REPORT OF THE BOARD OF PARK COMMISSIONERS

---

Honorable Board of Selectmen, Arlington, Mass.

Gentlemen: The Board of Park Commissioners beg to report the following report for the year 1925.

The usual routine work of caring for the land under their jurisdiction has been done as far as their appropriations have allowed.

The Board has met the first Monday of every month at the Town Hall to go over matters in which the citizens might be particularly interested, and we wish at all time to have the citizens understand that this time is for them to make any suggestions and constructive criticisms.

At the different meetings of the Board, there have been several projects studied with the result that they recommended and inserted in the Warrant, an article to transfer from the joint control of the sub-committee of the School Committee and Park Department, the so-called Crosby School Play Ground, as we feel that this should be under the control of the Park Commissioners.

We also studied the need of additional parks and play grounds, and while we feel that the town eventually should have more area devoted to park purposes, at present this could be postponed on account of the very heavy expenses the Town are now under.

There has been considerable constructive work done at Menotomy Rocks Park under the supervision of the tree warden. A considerable portion of the growth of bushes has been eliminated and trees have been trimmed as far as our appropriations would allow, and this work should be continued until all of the trees in the park are taken care of, which will require an increase in ap-

propriation over what we have had in the past to work with.

The so-called Hills Pond could be made more attractive with walks around it and a system of drainage installed so that the proper level of the pond can be obtained at all times.

Rough grading work has been done on the Meadow Brook Park playground off Chestnut street, and it is the idea of the Park Board to finish this work this year if sufficient appropriation is allowed. This we feel is very much needed in this section. We strongly feel that the section of Meadow Brook Park abutting on the Summer street extension should be filled in, and while the Board of Public Works have been dumping some ashes into same, we believe that a considerably larger amount of this work could be done to advantage.

This winter we endeavored to keep Hills Pond ice in condition for skating, and our efforts among the people to avail themselves of this privilege were evidently very much appreciated, and we found a very strong desire for additional facilities for winter sports, and we strongly recommend that the land in back of the High School be drained and a culvert installed which not only will allow hockey rinks and skating, but football field, tennis courts, etc. This, we believe should be on a progressive scale, and therefore have inserted in the Warrant an article requesting that money be appropriated to start this work without further delay.

Respectfully submitted,

CHARLES L. FITCH,  
PERCY A. GOODALE,  
ROBERT M. BOYD,

Board of Park Commissioners, Town of Arlington.

## REPORT OF APRIL 19th, 1925 COMMITTEE

---

Mr. Moderator and Town Meeting Members:

The committee appointed by the Board of Selectmen in accordance with vote passed at the Town Meeting of October 22nd, 1924, under article 2, beg leave to submit the following final report.

The committee as appointed was as follows:

Frank M. Harwood, Chairman, American Legion.

Charles S. Parker, G. A. R.

Gen. Walter A. Lombard, Spanish War Veterans.

Mrs. Grace E. Morton, Daughters American Revolution.

Mrs. Lila Russell, Women's Relief Corps.

Mrs. Laura M. Barry, American Legion Auxiliary.

Mr. Chester H. Milliken, Sons of Veterans.

Mrs. Elizabeth Turner, Sons of Veterans Auxiliary.

Judge J. P. Parmenter, Historical Society.

Mr. Chester A. Moody, School Department,

Mr. Elliott R. Barker, Board of Trade.

Mr. L. E. A. Smith, Rotary Club.

Mr. Charles H. Higgins, Boy Scouts.

Mrs. James A. Bailey, Girl Scouts.

Mrs. Curtis H. Waterman, Arlington Woman's Club.

The committee met for organization and preliminary plans on January 28th, 1925 and Mrs. Grace E. Morton, was appointed secretary.

All of the Military, Civic and Fraternal bodies were invited to take part in the exercises of the day.

The secretary of this committee has compiled a record of all data, pertaining to our celebration which we append to this report.

Committee felt that more emphasis should be given to the part that Arlington, then known as Menotomy, took in the stirring events of April 19th, 1775,

and to that end we arranged for publicity in the form of newspaper notices; three large banners suspended over Mass. Ave. marking the Jason Russell House; the spot where 18 British Soldiers with supplies, were captured; and another bearing the information that 22 Americans were killed in our Town on April 19th 1775. Smaller signs were erected at the sites of the Cooper Tavern and the Black Horse Tavern.

In discussing a proper title for Arlington's part, or activities on April 19th 1775, we believe that this should be hereafter referred to as the Battle of Menotomy, and would suggest that future celebrations by the Town, and appropriations therefor, be designated, "For the celebration of the Battle of Menotomy."

The appropriation of \$1,000.00 for the use of this committee we beg to render the following accounting, viz:

Johnson Sign Co.—2 Signs	\$48 00
Menotomy Chapter, D. A. R.—Luncheon at Town Hall	25 00
Middlesex Sportsman's Assn. Band	135 00
Leslie F. Hunting Camp No. 12 Band	135 00
Arlington Board of Trade—Flags on Town Property	150 00
Citizen's Public Celebrations Ass'n.—Programs and Posters	107 15
Boston Elev. Ry.—Transportation of troops	22 00
Churchill Catering—Dinner for troops	63 00
Quartermaster, Fort Warren—Transportation	4 50
Sextons, Unitarian, Universalist, Congregational, Methodist	12 00
J. B. Byrne—Metal work on signs	11 17
A. Hezlett Co.—Decorating	40 00
McLellan Awning Co.—3 large Banners	108 60
Wire Department—Labor on signs and banners	15 00
F. N. Leman—Printing on Banners	35 10
Blanchard Lumber Co.—Posts for signs	3 60

R. W. Shattuck Co.—Rope for Banners	3 94
Clinkard Taxi—Taxi for guests	12 00

---

\$931 06

Mrs. Grace E. Morton—Secretary Expenses	3 96
---	------

---

Total Expenditure \$935 02

Leaving an unexpended balance of \$64 98

All bills were supported by proper vouchers, approved and paid.

The committee was very much pleased with the hearty co-operation of the organizations, in making the parade such a success; by furnishing marchers, bands and floats.

In spite of the unfavorable weather conditions, the Townspeople, as well as the paraders, manifested a true patriotism, by turning out in such large numbers, and in every way showing sincere appreciation of the efforts of your committee.

The merchants of our Town and residents along the main thoroughfares contributed much to the spirit of the day, by a liberal use of bunting, and splendid display of flags.

The Town is indebted to the Arlington Board of Trade for originating the idea of uniform flag decoration; and supervising the placing of the hundreds of flags that added so much to the success of the day. We wish to publicly thank them.

The committee wishes to thank the Town Meeting Members for the generous appropriation made for this occasion.

Also take this opportunity to thank the Board of Selectmen, and other Town officials and heads of departments who so generously did their part in making this day a success.

For the Committee.

FRANK M. HARWOOD,  
Chairman.

## REPORT OF TREE WARDEN

(For Year Ending Dec. 31, 1925)

---

The past year was a trying one and in some cases a disastrous one to some of our large elms. The excavation for the large water main that went the entire length of Pleasant St., the erection of the new Engine House on Broadway, the reconstruction of streets and the resetting of curb stone; all these, while necessary improvements, work a hardship on the life of our trees. More consideration should be given our trees by committees and engineers when laying out these improvements, and when ever possible our old and stately elms should be preserved. During the excavation on Pleasant St., I compelled the contractor to board all trunks of smooth bark trees to a height of six feet and to install spark arresters on all steam engines. Every precaution was taken and for the enormous size of the trench, but slight damage was done to the trees. One elm at the corner of Swan St. and one elm on Swan St. were removed at the expense of the contractor. With the erection of the Engine House on Broadway two fine large elms and one horse-chestnut were doomed, and as I have stated, more consideration should be given to existing trees when plans are drawn for public buildings and new curb lines.

During the year all dead and dangerous limbs were removed and a partial trimming given to all trees where the branches were low and interfered with traffic. A thorough trimming with cavity and bolting work cannot be accomplished with the appropriation available, except in extreme cases.

There have been thirty-four trees removed, namely: 15 Elms, 9 Maples, 5 Ash, 2 Horse-Chestnut, 3 Poplars.

Two hundred and twelve trees were planted, namely: 100 Rock Maple, 100 Norway Maple, 6 Plane and 6 Linden trees.

Seventeen tree hearings were held on the removal of trees and permits were granted with the exception of two, namely:

Elm tree at corner Franklin St. and Broadway and  
Elm tree at junction of Medford St. and Jean Road.

The past year our soft maples were badly infested with the cottony scale, and it will be necessary to spray for this insect this year. This is a sucking insect and requires a different spray than for the gypsy moth. To carry on the work of this department for the coming year I would recommend the appropriation of \$3100.00.

The following is a financial statement for year ending Dec. 31, 1925:

Appropriation	\$3100.00	
Department Transfers	631.75	
Total	<hr/>	\$3731 75
Tree Warden, Salary	\$600.00	
Labor	1414.39	
Other department labor	631.75	
Trees	657.00	
Ropes and tools	155.79	
Oil, gas and tires	65.31	
Team hire	58.00	
Ford truck	30.00	
Repairs	49.60	
Office supplies & sundries	37.00	
Sharpen saws	6.15	
Total Expense	<hr/>	\$3704 99
Unexpended Balance		\$26.76

Respectfully submitted,

DANIEL M. DALEY,

Tree Warden.

## REPORT OF THE TOWN COUNSEL

---

December 31, 1925.

Joint Board of Selectmen and  
Board of Public Works.

Gentlemen:

The following summary of matters with which the Town Counsel has been connected during the year 1925 is presented as my report.

In connection with the claims of Mabel S. True for damages by reason of the taking of land on Lake Street for school purposes, of William T. Foster et al for damages by reason of the taking of land on Irving Street for school purposes, of Philip F. Coleman for damages by reason of the taking of land on Central Street for police purposes and of Howard Kent Burgess et al for damages by reason of the taking of land on Park Avenue for a fire station, settlements have been arranged and substantially completed.

The petitions of the Arlington Realty Company for damages by reason of the establishing of building lines and the alteration of ways at the corner of Broadway and Medford Street were tried to a jury in June. The jury returned a verdict in the sum of seventy-five hundred (7500) dollars, which was less than the amount previously offered to the petitioner by way of settlement and much less than the sum demanded by it for settlement. These cases were tried by Damon E. Hall, Esq., on behalf of the Town and the judgments therein have been satisfied.

The claim of Louis V. Pellegrini and Carrie Zappini for damages from the taking of land on Park Avenue Extension for school purposes has been settled by the payment of a sum approved by the Selectmen.

The action of Frances Cronin for damages due to an injury from a defect in the sidewalk of Medford Street was tried to a jury in December. The jury returned a verdict of one hundred (100) dollars for the plaintiff, which was less than the amount previously offered and much less than the sum demanded by the plaintiff for settlement. John M. Morrison, Esq., tried this case for the Town.

The claim of Elizabeth M. Campbell for damages from an alleged defect in the sidewalk of Mt. Vernon Street was settled by a payment approved by the Selectmen.

The claim of Stephen D. Merrill for injuries received on the sidewalk of Wellington Street was settled by the payment of fifty (50) dollars.

The claim of John F. Rooney for damages due to a defect in Hamlet Street was settled by the payment of forty (40) dollars.

The petition of William C. Drouet for a writ of mandamus directing the school committee to observe certain statutory provisions relating to the physical examination of children in the public schools was dismissed by agreement.

The following matters are pending in the Middlesex Superior Court:

1. The petitions of William A. Muller et al, Trustees of the Lockeland Real Estate Trust, of Alma L. Allen, of Catherine Goldsmith, of Charles N. Hayden et al, of Bertha W. Munch, of Jane L. Osborne, of Helen O. Rideout, of Heber W. Youngken et al, for abatement of the assessments laid by the Board of Park Commissioners for the improvement consisting of the addition to the Menotomy Rocks Park. Under authority of the Selectmen, Leland Powers, Esq., has been retained for the preparation and trial of these cases.

2. Fifty petitions for the assessment of damages alleged to have been sustained in connection with the establishing of building lines on both sides of Massa-

chusetts Avenue. Under authority of the Selectmen, Damon E. Hall, Esq., has been retained for the preparation and trial of these cases.

3. The petition of the Boston Elevated Railway Company for the assessment of damages alleged to have been sustained in connection with the establishing of building lines on Tufts Street.

4. The petition of Manuel M. Costa for damages in connection with the establishing of the exterior lines of "Mystic Lake Drive" from Hayes Street to land now or formerly of Russell Heirs.

5. The petition of Edward J. McGivern for damages in connection with the establishing of the exterior lines of Higgins Street from Robbins Road to land now or formerly of Russell.

6. The bills in equity of C. Alfred Myshrall and of Thomas Ryan to have certain parcels of land on the northerly side of Massachusetts Avenue decreed to be free from certain zoning law restrictions.

The petition of Solomon Rubin for the registration of the title of land on Massachusetts Avenue and including a portion of Swan Place, is pending in the Land Court. The Town Counsel has appeared in several other proceedings in this court wherein the interests of the Town might be involved and has taken action therein as directed by the Selectmen.

The work of the Town Counsel has also included the disposal of several small claims and of actions in which the Town was summoned as trustee, the settlement of claims under one assignment of wages and under the workmen's compensation act, the drafting of various deeds and other instruments, the attending of meetings of your Board, of the Board of Selectmen, and of other Boards and Committees, and the furnishing of legal opinions.

Respectfully submitted,

PAUL M. WHITE,

Town Counsel.
